On the scene report for Fish and Game supports river project

Mr. Walter Frank of the St. Albert Fish and Game Association was interested in checking out the work being done on the Sturgeon River Project with funds allotted by the provincial Department of the Environment. A copy of his report, as given by newsletter to the Association, was brought to the Gazette for publication, and is carried here in full:

"I finally got out on Saturday, January 13 to check the brushing being done on the Sturgeon River channel. I wanted a councillor along when I went, and this is the reason the trip was delayed. They have a pretty busy schedule of meetings and are not too often free. Being a councillor is now almost a full time job for these fellows.

I had with me Glen Berry and Reg Crozier, as this brushing is being done in

both their divisions. We went to where the crews were working, and walked some of the river that is already done.

In fairness I must say that the crews are doing a good job of clearing the channel. No place did I see anything touched beyond the channel itself.

All the talk about 25 and up to 50 feet from the river channel is not so. Any trees that are healthy have been left - even some that are half dead. Had I been foreman, I believe I would have taken them off. Because the young growth which will start next spring will be two and three feet tall come next fall. If anything in two or three years the habitat will be better than ever.

I saw the place where clearing had been done some years ago, when brush and trees were pushed up to the

river channel, with some going over the bank. This is certainly unfortunate and regrettable, and I guess some of this went down the river when the water was high in spring. This was only a small area.

There were a few farmers who were not too happy with the project in the beginning, but I believe supervision has been stepped up after some of the complaints. An easement is required from every farmer before crews can enter his property, and a farmer may stop them from entering if he so desires.

All this land is privately owned, and I am told the landowners have been trying for at least 15 years to get help to clear some of this channel. Glen and Reg estimated that about 2,000 acres are flooded every

School board candidates, having completed brief talks, get ready for the question period, under the watchful eye of the chairman. From left: Dave Davis, Murdo MacFarlane, David Merrell, Bill Webber and Shirley McCaffery, with chairman Walter Van de Walle on the far right. The Candidates forum was held Monday night at the Community Hall.

Voters Quiz Candidates At Public Open Forum

An estimated 150 St. Albert citizens heard five school trustee candidates and five town council candidates at Monday night's public open forum held in the Community Hall and sponsored by the St. Albert and District Chamber of Commerce. Immediate past-president Ernie Jamison acted as host in the absence of C. C. President Gerry Belke and introduced the chairman of the forum Walter Van de Walle, Reeve of the Municipality of Sturgeon.

The first segment of the forum dealt with the five St.

Albert Separate School Board trustee candidates who spoke in the following order as their names were drawn from a hat: Bill Webber, Shirley McCaffery, Murdo MacFarlane, Don Merrell and Dave Davis.

Each candidate spoke for five minutes, no rebuttal time was allotted but following the last speaker, Mr. Van de Walle opened the forum for questions from the audience. Each question was directed to the chairman, who in turn gave each candidate an opportunity to come up with an answer.

In the second segment of the public open forum, the five Town Council candidates had their names drawn from a hat to establish the order in which they presented their platform. Each candidate was allotted six minutes and they spoke in the following order: Syd Billings, Myrna Fyfe, Roger Gariepy, Al Weeks and Andy Kampen.

Since all candidates reiterated in their timed speeches, articles printed in The Gazette during the past two weeks and again this week, the text of their talks was not reported in this article to avoid redundancy. However, the question and answer sessions in both segments of the open forum have been dealt with in depth to give our readers who failed to attend the public forum, a general idea of the tone of the forum and the topics discussed.

Rather volatile questions were asked of both groups of candidates and many of them complained that "loaded questions are difficult to handle," however, all candidates managed to tip-toe around the hot ones and

Firemen Save Church After Two-Hour Battle

Fire extensively damaged Braeside Presbyterian Church, 6 Bernard Drive, Monday evening. Cause of the blaze is still undetermined but Fire Department Chief Fred Tetarenko said that at the moment it appears faulty wiring may be the cause. "That theory has not been confirmed," Chief Tetarenko said.

The alarm was sounded at about 8:45 p.m. when smoke was seen pouring from the roof of the modern church. Chief Tetarenko and his staff of six firemen plus 10 volunteer firemen manned two pumps while fighting the blaze. Two of the volunteers were called in from their jobs in Edmonton. Chief Tetarenko told The Gazette that this fire took every available man and piece of equipment he had and even had to delegate a civilian bystander to the firehall for additional air packs. The all-clear was sounded at 10:30 p.m. and the last team of fireguards left the scene at about 11:30 p.m. when the scene was given a final check-out for smoldering sparks.

Inspection of the badly damaged church shows that the roof collapsed over the storage room located on the second storey of the building, where the fire is believed to have started. Rev. N. C. Gordon's office has

also been completely gutted by the flames and water damage is quite evident throughout the three-level church. Damage is roughly estimated in the thousands of dollars.

Mr. John Derijk, chairman of the board told The Gazette that regular church services will be conducted in the damaged church. The Lower Hill has only suffered water and smoke damage.

Mounties moving in on young offenders

The RCMP are getting into position to beat some of the so-called 'beat' generation at their fun and games with breaking and entering and theft, going back to last summer.

The breakthrough came when the mounties began their investigation of the break-in at Sir Alexander Mackenzie School on Saturday. Work is continuing on inter-relating what appears to be the work of a loosely knit group of local juveniles and young adults, with some 40 - 60 charges involved. There are a lesser number of offences, since nearly all involve two or more offenders.

Officers of the detachment have been meeting with

school officials as they endeavour to sort out stolen cash boxes and other items. Tools and materials have also been recovered which were taken from various construction sites, and connections with the same group are being established in the process of tracing down these robberies. The process repeats again in tracing stolen household goods, such as some shag carpeting.

The St. Albert detachment has also been successful in apprehending a juvenile boy and girl on charges of breaking into two or three homes in the Graceland area earlier this month, plus attempted break-ins. These two are not St. Albert residents.

John Derijk, 9 Broadview Crescent, chairman of Braeside Presbyterian Church Board is seen looking over the damage caused by Monday night's fire which gutted a large portion of the top level of the church and left extensive smoke and water damage to the remainder of the building. Mr. Derijk is standing in what was called the upstairs storage room where the fire is believed to have started. At left, shown hanging in mid-air is part of the roof. The church building was covered by insurance.

Royal Canadian Legion Branch 271 executive installed last Friday, left to right: Rudy Schriber, welfare officer; Paul LeFebvre, special events; Wally Swenarchuk, secretary treasurer; Vern Tompkins, entertainment; Brian O'Kell, housing. Back row: Bill Edwards, building committee; Doug Taylor, past president; Denny Taylor, president (installed); Reg Bremner, 1st vice; Karl Hanneman, grounds; J. Belcourt, Sgt.-at-Arms; Alex Bayrack, vice-president; Alta, Command and installing officer; Ollie Kendel, sports; all of St. Albert, Sitting - Piper - Gerald Piper; Drummer - Jimmy Logan; Piper - Don Simpson, all of St. Albert. Absent from picture Stan Rees

Peter McCaffery Chosen Alta. Delegate To Wales

Peter McCaffery, president of the St. Albert Bruin Inn Cycling Club has been selected by the Canadian Cycling Association to represent the province of Alberta at an international cycling coaches, judges and officials clinic to be held in Cardiff, Wales at the end of February. Only four are going from Canada.

The idea of the clinic which is sponsored by the Union Cyclists International is to coordinate the efforts of the various countries taking part and to get the participants on the course to go back to their homes and set up training courses for judges, time-keepers and other officials. It is intended that this will help to improve the standard of cycling promotions in those countries where cycling is a minor sport and that as a result cycling will grow.

Peter has organized num-

erous cycling events of all types and has been responsible for introducing many youngsters to the sport. He is at present the Alberta Bicycle Association's representative on the Commonwealth Games Steering Committee and is working with them on the details of a proposal for the Commonwealth velodrome. This track will possibly be the main feature of an Edmonton cycling centre which will include recreational trails linking up with those in the river valley, a 2-mile road racing circuit and training and storage facilities. In the winter all these features would be used for cross-country skiing and all types of skating.

McCaffery's enthusiasm for the sport and the additional expertise he will gain on the Cardiff course will doubtless be a significant factor in this growth.

Town of St. Albert

PUBLIC NOTICE

The Council for the Town of St. Albert has indicated their willingness to sponsor a contestant in the Wetaskiwin North-Am International Snowmobile Races to be held February 10 and 11, 1973. The Town will pay the entry fee of \$50 and invites applications from any interested driver with a machine as the Town's contestant. Applicants must submit their applications to the undersigned by noon, Wednesday, January 31, 1973.

R. B. Bowen,
Secretary-Treasurer.

Town of St. Albert

PUBLIC NOTICE

The Council of the Town of St. Albert have, by Bylaw #64/72, eliminated the necessity of a list of electors and instead have provided that every elector shall subscribe to a declaration that he is qualified to vote and any person subscribing to that declaration shall be permitted to vote. Every declaration shall be subscribed to in the presence of the officer presiding at the poll.

Qualifications of a voter for the election of a Councillor and on the question of bus transit system.

1. The full age of 18 years.
2. The purchaser of and entitled to possession of land which is liable to taxation for general municipal purposes, or
3. The owner of land liable to taxation for general municipal purposes and of which there is no purchaser, or
4. The owner or purchaser of a business liable to taxation for general municipal purposes, and
5. That you are not otherwise disqualified from voting.

OR

You do declare that you are a Canadian citizen or a British subject, that you are of the full age of eighteen years, and that you have resided in the Town of St. Albert for a continuous period of twelve months immediately preceding the date of election, and that you are not otherwise disqualified from voting.

Qualifications of voter for election of a School Trustee.

1. The full age of 18 years prior to election day.
2. Canadian citizenship, or British subject.
3. Resident in the district in which the vote is to be held for at least 12 months immediately preceding polling date.

A corporation, church or other religious organization or an estate is not entitled to vote at a byelection or on the question.

Any inquiries should be directed to the Town Hall at 599-6601.

Town of St. Albert

PUBLIC NOTICE

The Council of the Town of St. Albert will be appointing one additional Board Member to the Sturgeon General Hospital #100 as authorized by a recent Ministerial Order. Connell invites application from person can be appointed as a member of the Board unless he or she is: (a) a resident of the Town of St. Albert, (b) is of the full age of 18 years, and (c) a Canadian citizen or landed immigrant. All applications must be in the hands of the undersigned by noon January 31, 1973.

R. B. Bowen,
Secretary-Treasurer.

Town of St. Albert

PUBLIC NOTICE

PUBLIC NOTICE is hereby given that Polling will take place for the election of

A COUNCILLOR

on Wednesday, the 31st day of January 1973 from ten o'clock in the forenoon until eight o'clock in the afternoon at the following places:

Father Jan School
St. Albert High School
Sir Alexander Mackenzie School
Paul Kane High School
St. Vital Grandin School
Sir George Simpson School
Albert Lacombe School
Community Hall
Town Hall
Club House
Youville Home
Hospital
Leo Nickerson School

AND

at the same place, time and date above mentioned, Polling for a member of the

ST. ALBERT PROTESTANT SEPARATE SCHOOL
DISTRICT NO. 6 BOARD OF TRUSTEES

will take place.

AND that I will, at the Town Hall on Friday, the 2nd day of February, 1973, at 12:00 o'clock noon, sum up the votes and declare the result of the Election.

Given under my hand at St. Albert, this 8th day of January, 1973.

G. P. Moore,
Returning Officer.

COUNCIL

Get It Together With Gariepy!

COUNCIL

Linda Kuzs, left, incoming president of the St. Albert Help Society, accepts a copy of the Constitution and Bylaws of the St. Albert Help Society from Myrna Fyfe, who has resigned.

Myrna Fyfe Resigns From Help Society

The St. Albert Help Society regrettably accepted the resignation of president Myrna Fyfe on Monday morning, and Linda Kuzs has been named the new president.

Mrs. Fyfe spearheaded the St. Albert Help Society since its inception in 1968, when she was chairman of the steering committee. This committee set up by-laws and policies together with the ground work necessary in establishing a Home-maker Service.

The Society came into existence in 1969 with January, 1970 being the first month of operation. The Homemaker Service, which operates with Preventive Social Service funds, assists St. Albert families in times of stress by giving home help in order to keep the family together and the home running smoothly. Fees are based on a sliding scale depending on family income and number of persons in the family. The phone number for the Homemaker Service is 599-5159.

PSS To Host Two-Day Alberta Meet

By Mona Acker

The Preventive Social Services Boards and Advisory Committees in North-eastern Alberta will be holding their annual conference in St. Albert later this month.

This meeting is designed to promote free exchange of ideas on a wide variety of subjects. Judge: "Do you have any evidence that you were hit in the mouth by this man?" Slightly inebriated defendant: "Y'ea, your honor, here's the tooth, the whole tooth and nothing but the tooth."

Since the Preventive Social Services program began in 1966 in Alberta these volunteers, who sit on the governing boards and committees, have devoted a goodly number of hours in meetings and helping to start new programs. Their function is to develop community awareness of the resources and problems in their area and to strengthen and preserve the use of those resources and human initiative to enrich the physical, mental and social well-being of their citizens.

Most boards are made up of Councillors of Towns or counties and people appointed by them. They come from a wide variety of occupations and income levels. Participants in this year's conference will be held January 26 and 27, Friday and Saturday at the Star of the North Retreat House, which will include Athabasca, Westlock, Barrhead, Lac La Biche and Ft. McMurray and their surrounding districts and the towns of St. Paul and St. Albert. They will be represented by town and county councillors, board and advisory committee members, citizens at large and the employed directors.

The program will consist of several workshops designed to promote the maximum involvement of all who attend. Friday evening will be capped by an informal social gathering and Saturday dinner will feature an address by Mr. Ernie Jamison, MLA St. Albert. The welcome on Friday evening at supper will be given by Mr. Ron Gaunce, chairman of the St. Albert Preventive Social Services

Board, to be followed by a number of small group discussions on the various Preventive Social Services projects operating or being planned in the participating areas.

On Saturday morning a panel presentation, followed by discussion will centre on the topic of communication and how to make it more effective between directors, boards or committees, county or town councils, the Provincial Government and citizens at large. Mr. Jerry Archibald of the Provincial Preventive Social Services Branch of the Department of Health and Social Development will speak on Saturday afternoon on the "Role of the Preventive Social Services Board or Advisory Committee in Program Planning and Development."

This will be followed by a wrap-up and evaluation session before the meeting adjourns at 6 p.m.

ST. ALBERT

the Gazette REFLECTS

Considering the impact of the Charette on St. Albert may be premature at this time. In that it remains to be seen what will emerge from the report on the Charette by way of concrete changes made in the town, which may occur and which may be clearly traced to the Charette.

In principle the idea is sound. People should have the opportunity from time to time to get together and discuss matters of community interest and concern.

500 persons are reported as attending, but if Mrs. Fyfe is correct in her statement at a public meeting last night, the figure doubles up on people who attended on more than one evening. St. Albert's population is close to 15,000, so that the percentage of the total is three per cent. With a margin allowed for children under 10, (since quite a number of youngsters that age and up took in the sessions), a percentage of five per cent might be a fair assessment.

Perhaps it could be said that this five per cent represents the people who really care about St. Albert. The report notes disappointment in lack of attendance by teachers, town councillors, elected provincial representatives, school board members and employees of these elected bodies.

However in fairness it must be said that councillors, trustees, MLA's and teachers clearly do care about the community. As do the many active organization members in the town.

These are the very people who in fact give many hours of their time and effort week in and week out to community affairs. So does every coach in the sports programs for youngsters. So do Sunday school teachers, choir leaders, people working for the learning disabled, and many are the teachers living in St. Albert who work in the community the year around.

The very old Arabian proverb which says 'part of everything you earn should be yours to keep' may have a corollary of much importance in our stressful times: 'Part of every day's time should be each persons to do with what he chooses.'

Before the word "Apathy" is bandied about too much, let us investigate what our neighbor is involved in.

We hope all the people will read thoughtfully all the reports and recommendations in the Charette report.

Implementation of all the recommendations however, should not come about through the blessing of a tiny minority of our population, and we doubt that it will. The large silent majority in St. Albert is far from asleep, and will make itself felt when any large issues are at stake.

Snowmobile Ban?

-Reprinted from the Grande Prairie Herald Tribune, Jan. 16, 1973 issue.

City snowmobilers are being given one last chance to stick to the bylaw or the machines will be completely banned from operation in Grande Prairie.

That's the word from city council after complaints from Ald. Don Wood that

operators are completely ignoring the regulations. He said "we have to do something to enforce the regulations or the bylaw should be rescinded and the machines prohibited altogether."

Ald. Wood said his phone rang all day Sunday with complaints about snowmobiles. "It's not only a nuisance, he said, "but someone

Stage has been set for February plays

The stage is set for the St. Albert-on-Sturgeon Players' first production of their 10th season, an evening of three one-act plays. Following last week's auditions the casts have been announced and rehearsals

is going to get killed."

Council decided to ask Bylaw Enforcement Officer Jim Hartley to discuss the problem with the Grande Prairie Snowmobile club executive, and seek the organization's assistance in enforcement.

Acting mayor Jim Rix said "I hate to see us legislate against many because of the actions of a few." But he said if the situation doesn't improve, a ban will have to be imposed.

are under way. "Suppressed Desires," a marital comedy to be directed by Mrs. Joanne Reinhold, will feature Valerie Osborne, Geri Peterson and Dave Scammell. Geri and Dave were also in the club's last production.

"The Lovers," a Pinter comedy-drama to be directed by Ray Hunt, will feature Richard Young, Karen Enright and Peter McCaffery. Maria Scammell and Shirley Martin, both of whom have been seen in many previous local productions, share the spotlight in the third play: "Save Me a Place at Forest Lawn," which is being directed by Don Mills.

The production dates have been set for Friday and Saturday, February 16 and 17

at St. Albert High. These dates mark 10 years to the day of the club's first offering in 1963, which incidentally also featured Maria Scammell.

Presently the stage crew

for the two evenings is being assembled and anyone interested in assisting backstage or in the front of the house should contact artistic director George Botchett at 593-8566.

ELECTION DAY WED. JAN. 31

I hold myself answerable to the voters of St. Albert only! I do not owe any obligation or loyalty to any patronage group, or any other person except the citizens. When an issue that concerns citizens of our town has been brought to my attention, as a private citizen I have taken a firm, carefully weighed stand on it and have, where necessary been unafraid to 'have it out' with council.

Snowmobile Park Under Study

The Editor:

I believe Roger Gariepy has the solution to the snowmobile problem in town, and I am sure it will be palatable to both the Snowmobile Association and the residents opposing the use of snow vehicles in town.

This whole issue has developed to the point where it is dividing community sectors. That's not a healthy situation. Obviously compromise is required and Mr. Gariepy is pursuing such a compromise in the hope that all citizens will be happy with the alternative.

Roger Gariepy has taken it upon himself to meet with a large landholder in this area to determine whether or not he would be agreeable to developing a snowmobile park near St. Albert. Other people who are interested in a suitable, logical solution are assisting him. They will approach the federal government to determine possible financial assistance through the LIP program, and they will meet with the provincial government, to assess the merit

of such a project as a Priority Employment Program (PEP) for the area.

If such a park can be established, there would be no need for snowmobiles in town. Mr. Gariepy wants peace and quiet just like everyone else, but he wouldn't turf out snowmobiles without trying to give them a place to go.

In my opinion council should be working for all people, not just the majority on any given issue. Mr. Gariepy started this as a private citizen and I hope he finishes it as a councillor.

Dick Wilson.

MINOR HOCKEY

The Editor:

It is most discouraging to take your young son to play hockey and watch him and a few others sit on the bench while a selected few get most of the ice time.

All children should have equal ice time! How else can they possibly learn?

I feel the parents of all minor hockey players should be more involved and have more say in the management of minor leagues rather than letting a certain club have

complete control.

We should know why are the best players placed mainly on one team? Who decides which coach gets first choice? If all the coaches had to draw the names of their players from a hat it just might eliminate a number of unfavorable situations such as certain coaches getting the very best selection; favoritism showed certain players by their coaching fathers; and certain coaches being able to select their players at earlier dates.

Does the selfishness of the adults have to be passed on to each other through children? The competition sometimes appears to be a game between the coaches rather than the children.

I send my child to play hockey to learn sportsmanship.

Where is it?

Mrs. Nola Matheson,
St. Albert.

Bottles

The Bottle Depot on St. Albert Road has been re-organized during the week that only beer bottles were accepted, and is now accepting liquor, wine and soft drink bottles and pop cans again.

The depot building is divided to accept beer bottles at one side and all the others at the other side. Ross Enterprises is managing the beer bottles and the others are under new management, operating out of Mr. Ross's building.

Town and district residents are requested to expedite prompt service and avoid line-ups by sorting and boxing their bottles and cans.

Liquor and wine bottles may be boxed together. Soft drink bottles should be sorted according to brand name and according to size. Cans should be boxed separately.

Please refer to an advertisement in this issue.

Hodgson leads Comets to weekend victories -

Comets leading scorer Henry Hodgson moved into top spot in the Edmonton Central hockey leagues scoring race with a fine seven point weekend.

Hodgson picked up four assists in a 6 - 4 win over Ray's Esso Friday night and his hat trick led the way to an exciting 8 - 6 victory over Stony Plain Eagles Sunday afternoon. Both games were played at home before good crowds. Hodgson now has 47 points including a league leading 27 goals.

Comets were not looking forward to the weekend as they had four regulars out of uniform. Ted Rogers has a wrist problem, Harvey Kirkland a shoulder injury and Jim Jones is on the limp with a bad ankle. Jim Read was away on his annual ski holiday and missed both games.

In Friday's game Ray's Esso started off well taking an early 2 - 0 lead on goals by Ron Whalen. Comets managed to score late in the period when Brian Stevens scored from Hodgson at 18:07.

Ray's took a 3 - 1 lead midway through the second when Brian Rickstad beat Comet goaltender from close-in at 7:43. Comets started to roll after that goal and their constant pressure paid off when they scored twice in two minutes. Big Al Laplante scored at the 16:50 mark with assists going to Hodgson and Rick Perrault and Ron Fournier tied the game at 18:58 with Laplante and Les Yanchuk assisting.

Comets dominated the third period and outscored Ray's 3 - 1.

Willard Hughes put Comets ahead 4 - 3 early in the third with Hodgson assisting and Brian Stevens scored what proved to be the winner at 10:20. Defense-man John Arnott assisted on Stevens goal.

Phil McCargan notched Ray's final goal midway through the period before Hughes scored the Comets sixth goal at 12:15 with Hodgson and Arnott helping out.

The game was cleanly played with the Comets taking six of the eight penalties.

On Sunday the Comets ran into a much tougher team and had to rely on two late goals late in the game to take Stony Plain Eagles 8 - 6. Comets managed to outscore the Eagles in the first two periods with 2 - 1 and 5 - 3 leads.

Ron Fournier and Wally Monson beat Eagle goalie Wally Wensink from close-in early in the period. Wensink didn't look sharp on either one nor did Jakubec in the Comet goal on an Eagle goal from George Smith.

Hodgson gave the Comets a 3 - 1 lead at the 6:44 mark of the second with Laplante and Fournier drawing assists. Jim Hawkins scored on a screen shot at 7:17 that appeared to fool Jakubec. Fournier gave the Comets a two-goal lead again at 11:47 when he poked in a loose puck in a scramble in front of the Eagle net that Wensink had no chance on.

Ed Stoyko reduced the Comet lead (4 - 3) at 12:02 only to have Hodgson score his second goal at 16:30 to give the Comets their two goal lead again. Eagles took four of the six penalties in the period with the Comets scoring two power play goals. In the third the Eagles tied the game on two goals by Neil Colbert, with the first at 4:22 and the second at 7:17.

Wally Monson scored his second goal of the game at the 8:00 minute mark on a shot from the slot which Wensink fanned on. Eagles Bayden Robinson didn't wait long to tie the game, picking the corner on Jakubec 16 seconds later.

Hodgson scored the winner at 13:31 with a perfect shot into the top corner from about 25 feet out. Hughes and Checknita assisted on the winner. With a minute left to play in the game, Stevens got a breakaway but couldn't beat Wensink from close-in. With Wensink down, Doug Bell banged in the rebound for the insurance marker.

Both goalies played rather poorly although each were able to stop breakaways on occasion. Wensink looked bad on at least four Comet goals while Jakubec allowed three soft ones.

Comets now have a week layoff before the Westlock Eagles arrive in town next Sunday. Game time is 2 p.m.

Eagles have handed the Comets one of their three losses with a 6 - 3 win early in the season. Comets will also be out to stop Leo Provencal from gaining points, as he is only three behind Hodgson.

League standings and scoring results as of Jan. 15th with the exception of the Comets which are as of today:

	W	L	T	P
St. Albert	15	3	1	31
Sherwood Pk	10	7	0	20
Westlock	10	6	0	20
Barrhead	9	7	0	18
Stony Plain	9	9	0	18
Leduc	6	8	1	13
Ray's Esso	5	12	0	10
Winterburn	2	15	0	4

LEAGUE SCORING:

Bruins bring help following two thumpings

St. Albert Bruins are having a problem lately (winning games) with two more losses in a row. Actually they were shellackings. The club lost Friday 13 - 0 to the U of A Bearcats and then took a 9 - 4 thumping Saturday by the North Side Comets. In an attempt to halt the skid, coach Rick LeLacheur has brought in two more players that should help the cause once acquainted. Both have had junior experience with the Oil Kings in the tough Western Canada Junior Hockey League.

Marv Lank (19) is a rugged defenseman with a good shot from the point. He played his minor hockey in

Edmonton, moving up to the Oil Kings two years ago. Last year he was traded along with goaltender Jack Cummings to Vancouver for Wayne Ogilvie. Marv then went to the New Westminster Bruins this season and returned to Edmonton recently. Bruins have obtained his release and he should bolster our defense which has been slipping.

The other newcomer is 17-year-old Larry Pashak who can play either centre or right wing. Larry has been with the Oil Kings all season but has seen only limited action and was released after the Kings west coast road trip last week-

end. Pashak played last season for Ched Good Guys in the Double A juvenile league.

In an effort to get more ice time the Bruins have lined up two exhibition games for the weekend. Saturday night at 8:30 they will play in Nampa and Sunday afternoon they will be in St. Paul for a game starting at 1:30.

Friday night the Bruins will be at home for a game with Fort Saskatchewan. This will be an important one, as presently the Bruins are in fourth spot, although they have two games in hand over North Side Comets.

Parents and coaches please take note

On Thursday, February 8 parents and coaches involved in all types of sport in St. Albert will have an opportunity of getting together and discussing the role of amateur sport in the community recreation program. The place? Sir George Simpson School, Grosvenor Boulevard. The

time? 7 p.m.

The discussion will evolve round three talks to be given

by three graduate students in physical education at the University of Alberta.

Snowmobile Meeting

Scorpions continue winning ways in Sturgeon Hockey League

Calahoo Scorpions won their 14th straight game in the eight-team Sturgeon Valley senior hockey league with an easy 13 - 4 win over last place Alexander Braves. The Scorpions have a six point lead over Bon Accord Wildcats who kept pace with a close 4 - 2 win over Namoo who are presently in fifth spot, two points behind Morinville. Third place Legal Canadians hand Morinville a 4 - 2 loss while Gibbons moved to within two points of Villeneuve with a 5 - 2 win over Villeneuve.

In the Calahoo - Braves game the flying frenchmen, Claude (3) Andre (2) and Jake Contant (1) scored six goals between them to lead the way. Emile Barube and Jay McGeough also picked up two each while singles were notched by Ticker Quintal and Doug Louch.

Laurent Coulombe scored a pair of goals while Dennis Pelletier and Remi Cyr added the others in Legal's 4 - 2 win over Morinville. Dave Quintal and Norm Bohl scored for the losers.

Gibbons scored two third period goals in their 5 - 2 win over Villeneuve. Tony Hogg led the way with a pair while Stan Harbachewski,

Darwin Seriak and Lloyd Christie added the others. Phil Soetaert and Noel Meunier scored for Villeneuve who have been holding their own for the first two periods then tiring in the third. The main reason is the fact they only average 9 or 10 players per game and poop-out in the third. They have excellent goaltending in newcomer Bill Tieland. Bill was the number two goalie with the St. Albert Comets but wasn't getting any ice time and decided to move.

Villeneuve coach Emile Soetaert badly needs a couple of wins to stay in the race for fourth spot. Last Friday's games saw Morinville hand Namoo a 4 - 1 loss with Fred Hesse getting two goals. Legal trimmed Alexander 7 - 3, Calahoo bombed Villeneuve 8 - 2 and Bon Accord defeated Gibbons.

This weekend will feature some important games with Calahoo playing Morinville Friday night and Bon Accord on Sunday. Legal has a game Friday with Bon Accord, while Villeneuve plays Alexander on Friday also.

The standings could change considerably before the next issue of the Gazette. Standings as of January 21st games are as follows:

ANDRE CONTANT

Lacrosse teaching clinics arranged at SAM

All upcoming Lacrosse Clinics will be held at Sir Alexander Mackenzie school. The first clinics will be centred around orientation with additional registration for those boys who have not already registered. Further clinics will be scheduled through the winter months. The following is a breakdown of the first clinics:

FEBRUARY 2 - Novice 8 - 10 year olds, 7 - 8 p.m. Bantams - 14 years and under, 8 - 9 p.m.

FEBRUARY 5 - Pee wee 12 and under, 7 - 8 p.m. Midget 16 and under, 8 - 9 p.m.

Intermediate 18 years and under will be practising at Ross Shepherd School in Edmonton at 9:30 a.m. every Sunday morning.

In addition for anyone in-

terested in Junior Lacrosse 21 years and under, or Senior Lacrosse (Golden Jets) 21 and over, practises are being held at Ross Shepherd School every Sunday morning. Juniors beginning at 10 a.m. and Seniors at 10:45 a.m. Everyone is welcome to these practises.

In all cases those attending clinics or practises should if possible wear helmets, gloves and running shoes.

It is requested that parents of boys in the novice and pee wee groups should attend the clinics with their boys whenever possible.

If there are any questions regarding registration prior to the clinics, contact Bob Taschereau 599-4911. All interested coaches and referees are reminded of their first clinic at 7:30

p.m. on January 26, 1973 at Sir Alexander Mackenzie School.

Soccer Seminar Goes This Weekend

By Ken Armstrong of Hercules Soccer Assoc.

The Alberta Minor Soccer Association and the Alberta Provincial Department of Culture, Youth and Recreation are co-sponsoring a Soccer Study Seminar at the Riviera Hotel, Edmonton on January 26, 27 and 28.

Commencing at 7:30 p.m. on Friday, January 26 and continuing on Saturday at 9 a.m. the presentations include themes on Soccer in Canada, Competition and the Child, Growth and its Problems and a Choice of Futures.

Among the principals participating are Bruce Thomas chairman, Soccer Study Commission, Dept. of National Health and Welfare; Ted Peterson, Sport Canada; Eric King, executive director, Canadian Soccer Association; Dwight Ganske, Dept. of Youth; Dr. Alderman, Stuart Robbins and

Peter Usher, U of A.

Everyone is welcome to attend this seminar and we would like to see a good representation from St. Albert. If any other information is required please phone Ken Armstrong 599-8081.

It is understood that one of the proposed themes deals with the suggestions that local and premier soccer programs, similar to those run in St. Albert, be adopted generally. However, the proposals differ in one respect and that is a suggestion that competitive soccer, such as that involved with the Edmonton Metropolitan Youth Soccer Association in which our premier teams compete, be restricted to boys who are approximately 12 years or older. The apparent reason for this is to protect the under 12 year olds from undue competitive pressures.

In Hercules we do not

agree with these restrictions as we feel that in making premier competition available, for boys of all ages who wish to participate, we are giving the better players the opportunity of compatible opposition. It has been our experience in soccer that the under 12's quickly learn and display excellent qualities of sportsmanship and team co-operation which, unfortunately seem to be frequently lacking in some sports in the older age groups.

In past years we have been very pleased with the manner in which the St. Albert teams have conducted themselves both at home and in other communities.

We have always felt that sports programs in addition to teaching boys to play a particular sport are intended to promote a high degree of sportsmanship between all participants. Regardless of whether the team wins or loses, it is our belief that it is the boys enjoy the game for the game itself, and while they may have played their best, to appreciate without resentment that they have been beaten by a team which has made better use of the opportunities which presented themselves.

IF YOU DON'T VOTE
DON'T
GRUMBLE LATER!

Ladies Club Happy With Wins

This is the second year in a row that Marilyn Johnstone's foursome have qualified out of St. Albert to play in the Northern Event, and with all the same girls: Elaine Sauness at third, Irene Fielder at second and

Marie Schultheiss lead. Jackie Evans had Bernice Cook at third, Bev Matog-at second and Kay Carmichael lead. Nancy Pushor, curling out of St. Albert his year has Glenna Edwards at third, Anita Hatchinski, second and

Deanne Pearce, lead. St. Albert Ladies Curling Club are very happy to have club members claim three berths in the Edmonton City Composite Zone playoffs. These three teams qualifying out of B event, along with Betty Cole from The Thistle, Dorothy Thompson from Ottewell and Dora Kishluchi, Balmoral, will represent Edmonton district in the Northern Alberta Ladies playdowns next weekend in Fort Saskatchewan.

The club extends good luck wishes to the three teams heading into the Northern at Fort Saskatchewan this weekend and hopes to see one of them at the Alberta playdowns early next month at Valley View.

Premier Esso Upsets Grandin/Rogers Esso

St. Albert's Grandin/Rogers Esso lost their second game of the season last Wednesday when Premier Esso upset them 4 - 2. Game sheet was not turned in and therefore we do not have the goal scorers.

On Thursday Grandin/Gulf Blazers and St. Albert Pharmacy played to a 2 - 2 tie in a game that saw Jim Pudowski of Pharmacy and Don Stewart of the Blazers get fighting penalties. Don Darling and Ken Liebel scored for Gulf while Dan Roberge and Ole Jensen scored for Pharmacy.

Monday night the Blazers blasted Premier Esso 11 - 3. Don Darling, Ken Liebel, Pete Van Brabant and Bob

Hall scored two each while Ron Morrill, Denis Limoges and Jack Maryama added the others. Brian Zamiski, Fergy Evans and Dave Mozil scored for Premier.

Sunflight Hawaii and Out Islands 2 weeks \$469.

- Go With Garipey... Council's Deciding Factor!

Inserted by R. V. Garipey election committee

An Open Letter To Every Minor Hockey Coach

QUESTION - WHAT ARE YOU TRYING TO DO?

The Canadian Amateur Hockey Association Minor Hockey Committee suggests that every coach of a minor hockey team ask himself this question: "What AM I trying to do?"

Am I trying to give kids a chance to play hockey?
Am I working to keep kids off the street?
Am I really interested in boys?
Am I really trying to develop better citizens?
Am I really teaching my boys the fundamentals of good sportsmanship?
Am I giving every boy an equal chance to play hockey?
Am I trying to see that the boys HAVE FUN playing hockey?

OR

Am I trying to win games to bolster my own ego?
Do I say "I won eight games" or "My kids won eight games"?

AND THEN ASK, "WHICH IS MOST IMPORTANT?"

The Minor Hockey Committee suggests that every minor hockey coach might well decide early what his objectives are.

We further suggest that the GOOD COACH, the coach who is sincerely interested in the welfare of boys, will try to make sure that every boy has fun; that they are reminded constantly that they are PLAYING A GAME, and that play and game means having fun. Then add instruction in sportsmanship and good citizenship.

When these lessons have been learned, the boys will be ready for further teaching of the fundamentals of hockey.

REMEMBER - Enjoying the Game is more important than the soon forgotten championships.
*Teach the FUN-damentals.

AROUND TOWN

The 1973 St. Albert Directory is presently being delivered house to house by the Rangers (senior Girl Guides). When they report

that they have covered the town, The Gazette will give the telephone number of a leader involved, in the event that anyone is missed.

ST. ALBERT RECREATION HIGHLIGHTS

LADIES NIGHT OUT:

The first "ladies night out" sponsored by the YWCA will be held on Thursday, February 1 in Father Jan School from 8 - 9:30 p.m. and registrations will be taken at that time.

This 10-week program is planned to give ladies an opportunity to indulge in some physical activities each Thursday evening with games of volleyball and/or basketball following a session of keep-fit or warm-up exercises. Mrs. Bonnie Child will act as "guide" during these evenings and the cost will be \$6 for the 10 weeks.

PHYSICAL CULTURE:

On Thursday, January 25 girls and ladies will have the opportunity of watching a demonstration of physical culture in Vital Grandin School at 7:30 p.m.

Mrs. Margaret Thompson and some of her students will demonstrate this form of movement which uses every muscle in the body, resulting in flexibility and improvement of poise and posture among other things.

The demonstration will last for approximately one hour. There is no charge and girls and ladies of all ages are welcome.

SOCCER TRAINING:

Soccer training is now in session and is held on Tuesdays at Sir George Simpson school from 6:30 - 8 p.m.

The St. Albert Curling Club experienced one of its proudest moments last Friday when they were officially presented with the T. E. Eaton Trophy emblematic of Edmonton and District club champions. Club manager, Art McCormack (left) and president Maurice Hill hold the coveted trophy. Extreme left is Harvey Henderson, 1st vice president of the Northern Alberta Curling Association and to his right is Jim Cameron, chairman of the Eaton event. Dave Miller (right) is the manager of the Eaton's store in London-derry.

for the 9 and 10 year olds and from 8 - 9:30 p.m. for the 11 - 16 age group. Training is also being held at Sir Alexander Mackenzie school on Thursdays from 6:30 - 8 p.m. for the 6 - 8 year olds and from 8 - 9:30 p.m. for those in the 9 - 12 age group GOLF:

The dates of the annual Golf School will be announced later.

Linda Borle married at Riviere Qui Barre

By Marcella McGillis

On Dec. 15 St. Emerence Church at Riviere Qui Barre was the scene of a pretty wedding when Miss Linda Borle exchanged marriage vows with Mr. Donald Clark.

The bride is the daughter of Mr. and Mrs. Firmin Borle of Riviere Qui Barre, and the groom is the son of Mr. Charles Clark, and the late Mrs. Clark of McLeannan, Alberta.

Father McGrane performed the ceremony and offered the nuptial mass.

Vocalist was Miss June Borle, accompanied on the organ by Miss Colleen Sheehan, cousins of the bride from Villeneuve.

Escorted to the altar by her father, the bride was radiant in her floor length gown of white peau-de-soie. The lace bodice featured long wide cuffed sleeves, and her short veil was held in place by a jewelled coronet.

Her only jewellery was a single pearl pendant and matching earrings, a gift of the groom. She carried a bouquet of red roses, white stephanitis and holly, with red ribbons.

The bridesmaids, Miss Ethel Clark and Miss Elaine Borle wore identical gowns of red velvet. Their head-dresses were jewelled tiaras, and they carried bouquets of red roses, holly, tied with red ribbons.

The groom's attendants were Lloyd Johnson and Arthur Demeule. Ushers were Kenneth Borle and Tony Lundquist.

The mother of the bride wore deep mauve floor length gown with jewelled collar, and she wore silver accessories. Her corsage was of pink roses and tiny silver bells.

A reception and dance was held in the Morinville Recreation Centre where some

350 guests were entertained. Among them were many out of town guests from McLeannan, Drayton Valley, Vancouver, Lacombe, Grande Prairie, Westlock and Onoway.

Following a honeymoon to Yellowstone Park, Mr. and Mrs. Clark are making their home in Edmonton.

LACOMBE PARK:
Mr. and Mrs. T. Walker;

Brochu's celebrate Diamond Wedding in Morinville

January 7 marked the 60th wedding anniversary of Mr. and Mrs. Amedee Brochu of Morinville.

Mr. Brochu was born in St. Isidore Comte D'Orchestrer, Quebec in 1884 and moved to Morinville in 1908.

Mrs. Brochu, the former Adele Fortier was born in Ripon, Quebec and came to Morinville in 1907. The couple were married in St. Jean Baptiste church in Morinville on January 7,

1913. They have 11 children, all living, and 31 grandchildren.

To honor this occasion a mass was celebrated in the church where they were married 60 years ago. This was followed by a reception in the Morinville Legion Hall for the close relatives, followed by an openhouse where a large number of friends and relatives came to give their regards.

Mr. Brochu came to Morinville in 1908 to establish a carriage making shop of his own after having learned the trade in the Carrette Carriage Works in St. Marie, Beauce, Quebec and apprenticing in Springfield, Mass. and Watbury, Connecticut, but the motor car appeared and he took a farm implement dealership with the Case Company for a

short time and then with the Massey-Harris Co. until his retirement - a period of 31 years.

He was also prominent in school and civic affairs. He served the Town of Morinville as mayor for a term; as a school trustee for nine years, and as chairman of the school board for six years.

Messages were received from His Holiness Pope Paul VI, Her Royal Highness Queen Elizabeth II, His Excellency the Lt.-Gov., the Rt. Hon. Pierre E. Trudeau, as well as from distant relatives and friends.

Mr. J. Latour brought greetings from the Knights of Columbus (LaVerendrye) and presented Mrs. Brochu with a bouquet of roses. Mr. Brochu has been a KC for 49 years.

Kemp Qualifies Role Of ICEC Organization

The Independent Citizen's Committee met for the first time Tuesday evening at the invitation of Jack Kemp, 19 Lawrence Crescent, sparking behind the movement.

To his audience of approximately 50 St. Albert citizens, Mr. Kemp described ICEC as a public force, able to select suitably qualified citizens to hold public office, encourage the selected 'folk' to accept the nomination to serve, then support the selected candidates.

"We pick the right people," Mr. Kemp said, "then we have a fair chance of having our affairs properly administered... not like that nut house up the hill."

Mr. Kemp went on to decry the present system of municipal government where we let anyone run for office, elect him then hand him the keys to our treasury. We don't even run a credit check on these people and yet we're ready to open a joint account with them. How ludicrous he exclaimed! He went on to say that municipal councils have no opposition and seem free to tell ratepayers to shut up or get out. Councils have no auditor-general.

"It's political madness," he concluded.

After playing back a taped version of Eddie Keen's editorial on St. Albert's snowmobile question, Mr. Kemp promised his audience that he will stop snowmobiles around his house. He told the crowd that he had consulted with his lawyer and hinted that his test case would receive a sympathetic ear from the provincial attorney-general. "It will cost me money to stop snowmobiles from harassing me and my family," he admitted "but by damn I'm going to do so, just you wait and see."

The question of endorsing a specific town council candidate at this time was bandied about. After a bit of serious thought, the idea was shelved and Mr. Kemp then suggested that a full slate of council candidates ought to be selected and groomed now in preparation for the general town council election next year. Once the ICEC

has succeeded in electing a new council in 1974, then we can look at the school trustee situation he said.

A member of the audience asked Mr. Kemp to define "a suitable candidate" and he replied that first off a councillor must be "fire-proof," knowledgeable, no axe to grind and not easily intimidated.

No membership will be

accepted for the time being, Mr. Kemp said, however, he asked the audience to register with him and thus join the 600 plus membership he claims ICEC presently has. Mr. Kemp admitted that his phone number had been unlisted prior to last week but was now public and he asked that interested citizens contact him at 599-6401.

Getting braced for the 'hot seat' session at Monday night's Candidates Forum, sponsored by the Chamber of Commerce and chaired by the Reeve of MD Sturgeon, Walter Van de Walle are the five citizens seeking a council seat: Roger Gariepy, left; Syd Billings, Andy Kampen, Al Weeks and Myrna Fyfe.

Around Town

The Gazette's Ovi Baril, of French ancestry and bilingual, suffered somewhat of an embarrassing moment last Friday evening while attending the Legion Installation of Officers ceremony at the Community Hall. While lining up a picture of the talented Scottish pipers, who were looking extremely smart in their kilts, Ovi suggested that three of them sit down on the floor in front. "You have got to be kidding!" said one of the astounded fellows. And thus did Ovi find out a wee bit of useful information about Scotland's famous national dress.

Interested parents are reminded of the protestant school board meeting tonight when subjects to be discussed are the School Year, Outdoor Education and the Charette.

Subject to be discussed at the AURN meeting tonight at the hospital cafeteria is Nursing Education, when a representative from MacEwan College, and a two year student will be their guests.

Marilyn Gariepy tells us that it was not because she found campaigning for Roger a 'pain in the back' that she ended up in Camself Hos-

pital last Friday. Following a disc operation performed by Dr. Singh, Marilyn is making good progress.

The parish team have heard from Father Ron Poirier, presently in Ottawa where he is taking some courses in theology at the University, and at the same time doing field work in connection with a course. Father Poirier will be working in the field of marriage and family counselling in Ottawa, Washington and Montreal. He expects to complete this training in June. His letter included the information that skiing is good in the area.

IODE to work at hospital

The Father Lacombe Chapter, IODE, held its first meeting of the new year, on January 17, at the home of Mrs. E. V. Curry, with six members and one guest in attendance.

A volunteer porter service, for three mornings a week, will commence Monday, January 22, at the Sturgeon General Hospital. The Chapter members will be assisting the departments of physiotherapy, x-ray, and laboratory, with the transfer of patients to and from treatments.

A discussion was held in regards to the celebration of our 10th anniversary this year.

The next meeting will be on February 21, at the home of Mrs. L. Vankesteren.

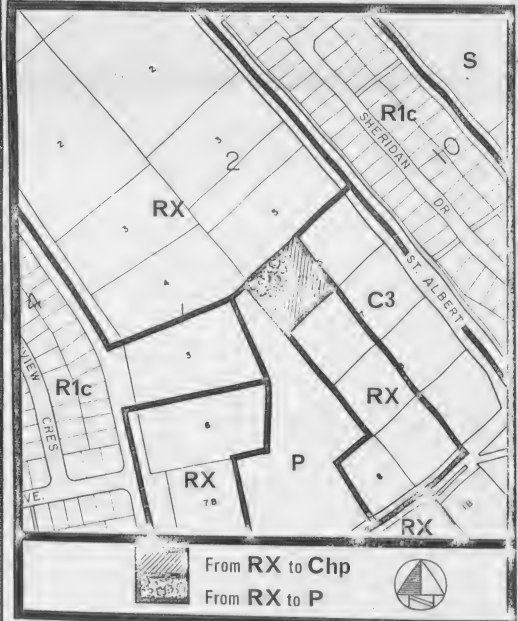

Jay Monual presenting gavel to newly-installed president of Ladies Auxiliary June Kendel. Newly-elected president Denny Taylor is seen in background.

Town of St. Albert Notice of Public Hearing

The Council of the Town of St. Albert having been given authority under Section 119 of the Planning Act 1970 R.S.A., as amended, to control development within the boundaries of the Town of St. Albert by zoning, will hold a public hearing.

The purpose of the hearing is to zone the properties as outlined on the map below.

The proposed Bylaw #4/73 may be examined between the hours of 9:00 a.m. to 4:30 p.m. at the office of the Secretary-Treasurer, Town Hall, St. Albert.

The public hearing will be held in the Council Chambers on the 19th day of February at 7:35 p.m.

Written objections to the proposed bylaw will be received by the Secretary-Treasurer at his office until 4:30 p.m. on the 14th day of February, 1973. Objections shall be submitted in writing prior to the meeting, those which have been received before the designated time will be discussed at the meeting before further oral presentations will be recognized.

R. B. Bowen,
Secretary-Treasurer.

SCHOOL CANDIDATES

Q What is your opinion on amalgamating the two school systems in St. Albert?

Shirley McCaffery said that she would favor such a move providing it would show a saving in the education budget, but she also recognized some of the problems involved. Don Merrill said he came from a province where the two systems were being slowly united (Quebec) and agrees with the idea, especially because of the savings involved. Murdo MacFarlane said he would not attack the problem himself, but if such a move arose, he would deal with it fearlessly with a view in breaking down barriers and reducing education costs. Dave Davis said he was not against the prospect of amalgamating the two school systems providing it does not affect education costs and the present quality of education. Bill Webber said he would welcome such a move.

Q Where would you function more effectively on the school board and in what capacity?

Bill Webber felt he would be more effective on the construction committee. Don Merrill volunteered for economics, so did Murdo MacFarlane while Dave Davis felt he would be best suited to serve in finance

and wage negotiations while Shirley McCaffery admitted that she had no past experience in any specific area but pledged herself to work hard because of her sincere concern in education.

Q In your opinion, what was the best and what was the worst move made by the No. 6 Board during the past years?

Don Merrill felt that the best move was the construction of the new Paul Kane School while the worst move was related to the deplorable busing of school children. Murdo MacFarlane expressed his view that the best thing that happened was this byelection and the worst was that it should have happened earlier. Dave Davis gave the No. 6 Board a bouquet for improving its financial situation and refrained to voice the worst move made by the board. Shirley McCaffery felt that the best thing was the construction of Paul Kane and the worst was the time it took to get the new school going. Bill Webber agreed with the construction of Paul Kane as well as the school board's initiative in obtaining Local Initiative Program federal funds. He then deplored the bus situation.

Other areas dealt with before the question period was called to an end included school cafeteria facilities, arts, family life programs, teacher-pupil ratios as well as an assessment of the Joint-Use program. All candidates ac-

quitted themselves with diplomacy and displayed a good sound knowledge of St. Albert educational problems, needs and plans for the future.

COUNCIL CANDIDATES

After a brief coffee break chairman Van de Walle dealt with the Town Council Candidate segment of the forum and the following questions and answers were heard until 10:30. Two questions were disqualified by chairman Van de Walle, the first was from Jack Kemp who asked that each council candidate give an assessment of Mayor Ray Gibson and the five sitting town councillors. Chairman Van de Walle ruled that that question was personal, unfair and refused the candidates an opportunity to comment. The other question ruled 'out-of-order' by Mr. Van de Walle came from Bob Hudson, a sitting town councillor who objected to a comment made by Al Weeks, one of the aspiring council candidates who made reference to town councillors 'with vested interests in snowmobiling.' Mr. Hudson withdrew the question after he was told to rephrase it because personal questions were not allowed.

Q Would you comment on the recreational facilities we have in St. Albert?

Myrna Fyfe said St. Albert already has good recreational facilities and felt that these should be used more extensively. Al Weeks said that it was unfortunate that St. Albert did not have

a recreational director and added that one is needed. He also said he would approve the construction of a covered swimming pool because, in his opinion, one was badly needed. Andy Kampen advanced the proposal that a band ought to be instituted by council and once enough money is in this account, a first class facility could be built. "I believe in doing a good job and not just half a job," Mr. Kampen said. Syd Billings agreed that recreational facilities in the community are very essential and is all in favor of improving them. Roger Gariepy answered the question by acknowledging the fact that Mrs. Renee Laird has been doing an excellent job as recreational director in St. Albert then underlined his previous statement when he said that recreational facilities ought to be developed on a neighborhood basis in order to reduce distances between the home and sport facility. "I deplore the concept of crossing the entire breadth of town to reach a sport facility," Mr. Gariepy said.

Q Would you favor annexation with Edmonton and would you favor council hiring a full-time town planner?

All five candidates voiced a definite 'No' to amalgamation and a 'Yes' to hiring a full-time town planner.

Q What, in your opinion should be St. Albert's population limit?

Syd Billings started this round of answers by stating that we have no town plan, we having nothing to go by, therefore it's almost impossible at this point to answer. Roger Gariepy said that St. Albert must have enough population to pay for our present and future expansion plans. Myrna Fyfe was most emphatic when she stated that St. Albert ought to hold back expansion plans and service the area presently incorporated.

Al Weeks said St. Albert was big enough now and registered sincere fear of the huge debt every taxpayer will be confronted with once the \$3.7 million sewage system is put into motion, along with a similar debenture loan for additional water services. Andy Kampen expressed the view that it is difficult to curb growth, therefore, he has no quarrel with 'orderly growth.'

Arts & Crafts still has some openings

There are still openings in a number of recreational classes sponsored by St. Albert Arts and Crafts Guild in co-operation with the recreation department.

For children there's room in woodworking, model aircraft, puppetry and oil painting. Ceramics classes for ages 6 years to 12 years have been filled, however there's the possibility of an extra class on Mondays after school for six to eight year olds if enough interest is shown.

There's openings in teen ceramics, oil painting and copper enamelling and adults can still register for ceramics, oil painting, creative leather, craft-melting, knitting and crocheting, creative stitching, primitive weaving and upholstery.

A macramé workshop is planned for March 2, 3 and 4.

Classes will begin the week of February 5 and registration forms are available at the Recreation Department, Town Hall, Ad-

ditional information may be obtained from Guild co-ordinator Lois Folkins, 599-7344 or the Recreation Department, 599-6601.

Council Candidates Express Their Views

Roger Gariepy

Town Council - what can we rightfully expect from them as a whole?

*Mature, sensible and objective decisions,

*Openness, making an effort to keep citizens informed, and open to criticism. Town Councillors - what should we demand of them individually?

They must be capable of and willing to:

*Investigate thoroughly, gather facts and opinions - in other words, do their "homework."

*Evaluate rationally the pertinent information.

*Discuss their opinions openly and honestly with other council members before final decision.

Why am I running for Council?

I believe I have the ability and qualifications necessary to the job.

My occupation in analytical research and development requires searching out facts, rational evaluation and conclusions, and practical application of the findings.

We can use a cool head on council. I haven't yet met anyone I couldn't discuss with. I do not take disagreements as personal insults, nor do I see any need for abusive language or temperamental behaviour in our council.

My tastes are wide-ranging. I enjoy most things from soft rock to Beethoven, from Sesame Street to WS.

I believe that our town is still a good place to live and grow, and I will help all I can to keep it that way.

Areas needing emphasis and improvement:

1. Planning;
*overall development plan needed.

*downtown development should be more comprehensive and aggressive.

*land bank should be pursued for both residential and commercial purposes.

2. Communication:
*citizens' service bureau in Town Hall.

*between town and citizens, between groups.

*publicity and information directed to outside people, bodies, etc.

3. Recreational and Cultural Services:

*shift of emphasis to neighborhood concept and integration with present and planned school facilities.

4. Transportation:
*thorough survey of re-

quirements.

*town controlled system
*in-town service at nominal charge.

5. Service Clubs, Volunteer Groups:

*should be aided and encouraged by the town and by all citizens, and be the means of the true strength of a community.

6. Preventive Social Services:

*thorough review needed of objectives and structure of this potentially worthwhile program.

7. Youth Activities:
*more programs such as Junior Achievement, need to be made available and encouraged.

I believe I can serve St. Albert well and faithfully as councillor and would appreciate your support.

Andy Kampen

Even though in the past few weeks the snowmobile issue has been quite a topic, I think there are more important questions to be discussed and solved by council.

The establishment of a development appeal board. This is to give the citizens a chance to appeal the rejection by town council of building improvements. This board should consist of citizens at large and one councillor.

2. To find in the very near future a landfill site.

I do not know what council or our administration has done about it but it seems to me that the sooner it is looked after, the more economical it will be.

3. We do need a town planner in the most urgent way.

If we do not I am afraid that with the rapid growth of our town we are going to end up in complete chaos. All you have to do is drive from St. Vital Avenue to the hospital. This is only one of the many mistakes which should not have happened.

4. Offstreet parking downtown.

It seems to me that town owned properties downtown should be made into parking lots to ease the congestion we have now.

Now ladies and gentlemen I would like to explain my favorite number, which is FOUR, I am number four on your ballot as is shown in your Gazette. Also when elected, I do not intend to be a yes man. I have very strong feelings for our town. My wife Ann and our two

children have lived here since 1958. My philosophy of life is, and I quote a great president, What can I do for our town and not what can the town do for me.

It has been a great pleasure to air my views on a few important questions, however there are many more to be solved. And, I, Andy Kampen, number four (4) on your ballot, am the right man to do just that. Thank you.

Al Weeks

I have been visiting homes in St. Albert, and I've covered a great deal of our town now personally. I hope to get around to you all before the election. I have been trying to find out what you the citizens of St. Albert are concerned about.

Many messages come through to me:

*The use of snowmobiles on the roads and public property of St. Albert is offensive to a great majority of you.

*The state of planning and explosive growth of our town is disturbing to many of you.

*The communication between the council and citizens needs to be enhanced.

*Then there is the PPS Board, this area merits a great deal of study before a decision can be reached but it becomes obvious that there is a lot of unnecessary friction.

*Taxation, we are all concerned with the sky rocketing taxes and the system that has recently been pushed on our new citizens.

That's my platform. Now you compare my platform with the platform of at least some of the other candidates you will find a great deal of similarity. This then presents you, the thinking citizen, with a great problem - for whom should you vote?

There is one platform difference however; I am the one candidate that has taken an active stand against the indiscriminate use of snowmobiles in our town for over a year. A week ago I made a formal presentation to council accusing them of knuckling under to pressure groups or vested interests. Many of you were there for that meeting and the room was jammed with people that spoke out against these machines - no one was listening - certainly not council. The fact that I am prepared to publicly take a stand on this or any other legitimate issue that I feel the people of St. Albert want me to champion for them should

make me useful. That I am not standing on this issue can be proven, because over a year ago I made my feelings public concerning snowmobiles.

You have then to choose the person who you feel will represent you BEST on town council; you have to select the BEST personality that is going to speak for you and that you feel will BEST represent you in the BEST manner possible.

I sincerely promise you that I will LISTEN constantly to what is going on - to what you are SAYING and I will try and be YOUR VOICE on council if YOU will let me, if YOU will give me the mandate, the authority to speak for YOU, I will work for YOU as best I can.

Thank you.

Myrna Fyfe

I believe that effective Town leadership is dependent upon your involvement in decision making. By setting up area meetings to establish effective communication between Town Council and the voters, you would have an opportunity to learn in an informal setting what is happening in Council and to voice your opinions regarding the present and future administration of St. Albert.

In dialogue with you over the past few weeks, you have expressed an overwhelming state of dissatisfaction with our Town's administration. For example, it is imperative that persons volunteering their services for Boards, either elected or appointed, receive the respect and appreciation of Council for their efforts. We have a wealth of talented citizens and I would like to see Council recognize this resource and invite their assistance from time to time.

The Charette Report indicates that many citizens would like a Recreation Board. This Board would be effective in working on an over-all plan for our future recreational facilities. The snowmobile issue need not have become such a debatable question if this sport had been treated as recreation and dealt with accordingly by providing for their use in suitable areas. Further, a Recreation Board could advise and assist the Provincial Government in setting up the Sturgeon River Valley as a recreational area to benefit all members of our community. This Board would also deal with

summer playground programs in each neighborhood to better utilize our existing facilities.

Another major concern is the internal and external transportation needs of the Town. I am certain we will not receive pertinent information from the current plebiscite - since an answer is only as good as the question asked. There are various possibilities to be explored regarding the use of bus services including amalgamating school bus facilities with Town contracts and mini-bus service that would connect access routes with main arteries. These possibilities must be explored to bring about a functional and economic transportation system.

Thank you to the Gazette for the opportunity to express my views.

Please vote.

Syd Billings

Snowmobiles! Recreation or disturbing nuisance? After listening to many St. Albert residents and attending the meeting of Council on Monday, January 15, I am amazed that Council did not continue with a plebiscite. Council, after deciding to hear the people, reneged, in effect suggesting that the wishes of St. Albert residents do not bear much weight in their decision making.

I was impressed with the sincerity of the Snowmobile

Association proposal in its Brief to Council. Provisions were made for many of the things concerned residents are worried about. The Association is to be commended for properly bringing forth its proposal.

Nevertheless, I am concerned with noise pollution, be it from lawn mowers, motorcycles, trucks or snowmobiles. I am concerned with the nuisance value that heavy snowmobile traffic may create. I am concerned with safety and the Association's ability to control non-member snowmobiles.

As a concerned citizen, I will act in a decisive manner to rescind the bylaw immediately. I am convinced that the operation of snowmobiles creates a situation that deprives us of a safe, peaceful, and happy community.

The plebiscite should have been held. The result was not binding on Council. The Brief could and should have been held over until the people had an opportunity to express their wishes.

I am happy to see that Council will be adopting one of my platform positions on closed meetings, as reported in last Wednesday's Gazette. Council must bring before its public matters of concern, fairly and with dispatch.

I will be looking forward to Council adopting all of my platform after January 31st.

I pledge my efforts towards improved communication, sound planning, adequate transportation, and an effective Preventive Social Services Board. I have the municipal experience, having served you for seven years.

I trust that you will support my stand in all of these areas. I will maintain an open-door policy at all times regardless of the outcome on January 31st. I want to help with your concerns and problems. Call me and let me help you. I ask your support.

Trustee Candidates Express Their Views

Bill Webber

As this is the last issue of the Gazette before the byelection, I would like to express my sincere appreciation for this newspaper for making available this space in its last three editions to enable each candidate to express their views.

I would like to take this opportunity to review some of the areas of concern which I have as we enter the last week of this byelection.

If I am successful on Jan. 31st I will work with the other board members to encourage communications and understanding throughout our district.

I will give careful consideration to all expenditures.

I will pursue a program to detect learning disabilities in the preschooler.

The board should develop the concept of neighborhood elementary schools.

Planning of future schools should consider community use of their facilities.

The present lunch policy must be reviewed.

The Provincial Government must be pressed to provide funds to support public kindergartens.

I believe my background and experience will enable me to provide sound representation on the Board of Trustees. If you are in agreement, and share these concerns I solicit your support on Jan. 31.

Gazette I mentioned that many things would have to be done. These many things cannot be done overnight. But I can assure you that if I do get elected these many items will be presented to the Board with the least possible delay.

An elementary school in Mission - Lacombe area will alleviate the crowding conditions at Leo Nickerson school - this will also cut down on the busing costs.

The new Paul Kane is to be opened soon and junior high students will be transferred from Sir Alexander Mackenzie school to Lorne Akins. Please keep in mind that SAM has all junior high students from Mission and Lacombe. And, I believe, of the east side of the Trail as well as elementary pupils from their own district. Sir George Simpson is full as well as Robert Rundle with the overflow going to Leo Nickerson.

We also have to consider the Grandin area - this section has grown immensely to the west and the population is still growing.

Some of our problems would be easier if there was a liaison between town planning officials and the school board.

The expenditures have to be watched, we have to obtain as much for our dollar as possible. Find ways and means to obtain more money from our provincial government. I cannot promise to keep the school taxes down, but I do promise to do my utmost to keep them within reason.

This is my last opportunity to express to you why you should place your confidence in me, to obtain the best dollar value for our children's education. I sincerely hope we agree on many of the items I have mentioned. If I have not made myself clear on any of the issues, please feel free to call me at 599-8203.

Thank you.

maintaining an excellent relationship with all people associated with the school system.

If elected I will endeavor to carry out the commitments I have made to you, to the best of my ability. In particular I will work for keeping all Board meetings open in their entirety to the public and press.

Also the busing problem must be re-examined and resolved, as it relates to Mission and new areas.

I wish to extend my sincere thanks to all citizens in St. Albert who encouraged me to place my name for election, and who assisted me in the campaign.

I trust that every citizen in St. Albert will exercise his or her franchise. Thank you again to the Gazette for their splendid co-operation.

If the board ACTIVELY encouraged parent involvement and participation in school affairs.

By attending all the school board meetings in the past 10 months, by being on the executive of the Leo Nickerson PTA, and by working on the Charette, I have had a chance to hear the educational concerns of many of the townspeople, parents, students, teachers and administrators. The first step toward effective school administration is knowing and understanding the needs of the people. As the mother of three children, two in school, I do know and share your concerns. A child's closest relationship is with his mother and I think it is important to have a mother's voice in school board decisions.

the picture, often frustrated where our public affairs are concerned. There seems confusion of information and obscurity of intent.

Why in this election is it suggested that we should have pre-school screening clinics when for years we have had these clinics in St. Albert? If these clinics are not well known, their work should be more publicized, not hidden behind inference of their non-existence.

Many of us in St. Albert promoted independent kindergarten facilities for years, and expected legislation from this government enabling kindergarten for all children. Not only did that legislation not appear, but the government seems to have shelved this possibility for some time to come.

On the school board I would press for action in this matter, because there an effective voice will be heard.

If current school costs did not increase dollar wise this year, they would none the less have risen by five per cent through the inflationary pressure of national economics. It costs us all more to live these days.

What can any school board do about these facts? Internal economics can be achieved.

levered in a school system where staff morale is high. High morale depends on a sharing in policy and curriculum development. Changes should be made only when needed, and not under pressure from the publication of this year's model of last year's A B C's.

But policies should reflect new awarenesses. Certain statistics of recent years presume that 10 per cent of our children will enter the school system with learning disabilities. What now is general to this unhappy fact, is that "remedial" work can help most of these children develop literacy, which is the basis for success. Specific to this school board is their policy here. It is not clear that the school board has accepted this 10 per cent figure and made staff and facilities available to cope. I wish to pursue this because obviously the other 90 per cent of our children suffer through the added pressures on teachers attending to those needs that should be met, and can be met, if the board will clarify its policy.

If you wish to help deliver my message on your street, phone me at 599-8298.

Shirley McCaffery

In the last week before the election I would like to summarize the main points of my platform.

"The curriculum should be child-centered so each student is encouraged to make the most of his talents and abilities. The system must fit the child rather than the child being forced to fit the system.

"Lower class enrollments would allow teachers more time to give each child individual attention; a benefit to both students and teachers

"Kindergartens should be made part of the school system so ALL children have equal opportunity to obtain the advantages of early education.

"More attention must be given to children with learning disabilities. Extensive pre-school testing and more remedial work in the lower grades would be of great help to these children.

"A large part of the educational tax dollar is invested in school buildings. It is sound economics that the community be allowed to make maximum year-round use of these publically funded facilities.

"The school boards should carefully consider the possibilities of amalgamation. Removing the costly duplication of administration, buildings, equipment and busing would make money available to expand and enrich the school programs.

"Greater communication would be achieved between the parents and the schools

Murdo MacFarlane

As a school trustee I would encourage more faith in ourselves and less belief in systems. If we each truly tackle today's problems today, we will become experienced to handle tomorrow's problems as they arise.

Often we feel left out of

David Merrell

Now is the time that the ratepayers have to review what the candidates have to offer. And then do some hard thinking to consider who will do the better job. The candidates have done their duty and now the responsibility falls on the ratepayers to vote. My plea to you is vote as you please, but vote.

In the last issue of The

Dave Davis

If I am elected as Trustee to the Protestant School Board, I will give full commitment to all duties related to the position.

This will include a great deal of time dedicated to school homework in order to keep up with the new developments in educational matters. I will spend the required time and devotion in preparing for regular school board meetings.

I am a responsible, mature person and capable of

PSS board eliminates Administration chairman "No dissent allowed" says Board member

The Preventive Social Services Board at its regular monthly meeting held in the Town Hall Jan. 18 eliminated the executive position of administrative chairman. "The Board got rid of me through a technicality, and, I suspect, as a result of pressure from the Boards of Directors of the St. Albert Day Care and Help Societies," Mrs. Henrie Stibbe told The Gazette. Mrs. Stibbe was first appointed to the Board by Town Council in October 1971 and re-appointed to a two year term in October of last year. She was elected unanimously to the position of finance chairman in June of last year and the Board elected

her to the newly created office of administrative chairman two months ago. The minutes of the meeting when she was first elected finance chairman outline Mrs. Stibbe's position as that to be responsible for budget, internal audit and continuous monitoring of finances. The PSS bylaw as approved by Town Council states that the Board shall elect an executive comprised of a chairman, vice-chairman and secretary. It is on this technicality that the Board last week eliminated the office held by Mrs. Stibbe. The bylaw does NOT state, however, that no other appointments in addition to these three positions may be

made. "As recently as December 21 the Board agreed to this," Mrs. Stibbe said. "The minutes of a meeting held that day state that a secretary be elected in addition to, not in place of, the officers elected in November."

"I find it strange that no-one gave their interpretation of the bylaw when I was first elected," Mrs. Stibbe said. "It was not until I started asking some questions that the position of administrative chairman became an issue. I guess I was asking the wrong kinds of questions and some people with vested interests got a bit uptight and started writing letters to the PSS Board

Acting Sergeant-at-Arms Ollie Kendel presenting president-elect Denny Taylor for installation. Following installation ceremonies about 200 Legion and Auxiliaries enjoyed a banquet and dance at the Community Hall.

questioning my competency, intentions and ethics."

Mrs. Stibbe added she also finds it peculiar that the PSS Board, who on December 14th directed that a letter be written to the Day Care and Help Societies stating that she was acting on instruction of the Board in her handling of financial matters and that she would continue to handle financial matters, four weeks later suddenly decides to do away with the position of administrative chairman and reverses the stand taken on December 14.

Mrs. Stibbe says the manner in which public funds are spent is of great concern to her. Some of the items she has raised at Board meetings include the fact that a housekeeper employed by the St. Albert Help Society Homemakers Service was paid \$160 for 17 1/2 hours of work during one month last year. "I wish that this information had been available to our Board prior to being asked to approve the budget for this program for 1973," she said. "It was only later, after one heck of a hassle that this information involving a retainer expense for the employee was made available, to the PSS Board by the Help Society. This group claims

their minutes are confidential. I say there are public funds involved, about \$16,000 last year, and no way should their business be secret."

(About 80 per cent of the budget of the Help program comes out of public funds, the remainder comes through fees paid by people using the service).

Mrs. Stibbe says she also raised the matter of the treasurer of the Day Care Society being paid a salary of \$100 per month as part-time secretary of the Day Care. "The PSS Board on Dec. 14 approved my recommendation that the Day Care Board be asked to

reconsider the appointment of a member of their Board to a paid position. This operation is subsidized by the public, almost \$7,000 of public funds were forwarded to the Day Care in its first four months of operation, it is my opinion that job should have been advertised locally, not given to a member of that group."

Mrs. Stibbe said that this Day Care Board member is still on the payroll.

She said she also questioned the practice of the Day Care Society of purchasing used goods from a staff member while last year the

PSS Board

CONTINUED FROM PAGE 17
group appealed to the community at large for the donation of goods. "A staff member was paid over \$112 for used household items, this, I would suggest, will probably cut down on possible future donations." It was also Mrs. Stibbe's recommendation that the Day Care monthly financial statement include proper receipts for goods purchased and that the practice of making out cheques to staff and officers for purchases be discontinued. "Charge accounts should be set up with some of the major stores as well as local firms in the name of the Day Care and cheques should be made out to these businesses. The Day Care will probably find that they can get a discount by following this suggestion; I disagree with members buying goods on their private account and then billing the Day Care."

Asked if she thought the Day Care to be a needed service, Mrs. Stibbe said she is not convinced that the funds could not be put to better use elsewhere. "Figures available to me, and there is limited information available as the Day Care and some of the PSS Board members consider their records confidential, would indicate that about 65 + 70 per cent of the children using the service are from families in the middle to higher income brackets, people who are in a position where they could well afford to make child care arrangements other than using a publicly subsidized centre."

In other words, she said, if for example there are only 15 NEEEDY children being cared for, that is a lot of money for such a small number. The payroll for Day Care staff last month was in excess of \$2,249. There were 37 children enrolled, 22 of whom were part-time. Were all these children from working parents? "Who knows," says Mrs. Stibbe. "Twenty-four paid the maximum fee, which would indicate a family income of at least \$10,000."

As a result of her questions numerous letters have been written by officials from the Day Care and Help Societies, Mrs. Stibbe said. "Some people would deny me the right of freedom of speech. It would seem they succeeded in removing me from office, for the time being, anyway, but no way will they stop me from asking questions."

Mrs. Stibbe says that as

a result of her talking with The Gazette "we will probably get all kinds of letters asking that I be removed from the PSS Board. Dis-senters are not tolerated, it is a sick situation."

The office held by Mrs. Stibbe was done away with by a motion made by former Chairman Rich Belley. He moved that the election of officers as held November 16 be declared invalid and that an election be held for the position of chairman, vice-chairman and secretary. Ron Gaunce, whose wife is a past-president of the Day Care, and Dave Thomas were re-elected chairman and vice-chairman. Gloria Stacey, a newcomer to the Board, who was appointed in November, is the secretary.

These men guide the Royal Bank in Alberta. Ted McClenaghan, District General Manager and his right hand men, Bill Yule and Fred Sutherland. Together they have over a hundred years of experience. As representatives of the Royal the sound judgment they exercise in their daily work is also reflected in their many community endeavours.

This is Bank Manager Cam Gregoire from Morinville. He has been helping the Royal serve Alberta for many years.

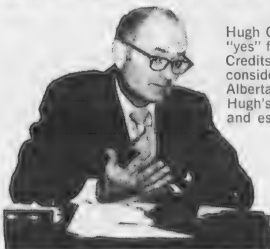

Cam is active within his community as a member of the Chamber of Commerce and the Morinville Drum and Bugle Band.

In his spare time he enjoys nature study and is particularly fond of gardening and fishing. Cam enjoys serving Morinville.

Our expert "in the field" is Keith Sveinson. He spends his working day with clients and branch managers or organizing programs for the benefit of the farm community. Keith was born in Innisfail, has his degree in Agriculture and has served the Alberta Agricultural community for the Royal since 1967. In his spare time he works with 4-H and farm youth groups and occasionally gets away to do some fly fishing.

The Royal Bank ...serving Alberta!

Hugh Clarke is one of the men who likes to say, "yes" for the Royal Bank. He is involved in Loan Credits and works with your branch manager carefully considering Loan approvals. Hugh is a native of Alberta who is active in his work and the community. Hugh's secret passion is tomatoes... growing them and especially eating them.

On The Scene Report

Continued from Page 1
spring, and that was putting it very mildly. I asked the councillors about the possibility of doing something next year, and was told that to the best of their knowledge they know nothing about this.

I have stated my personal opinion on this, and from what I have seen, plus the talk I have had with the councillors and our MLA

Ernie Jamison, I feel we need not be concerned for what is being done at this time.
If 25 different fellows went to look at the work being done, we would probably get 25 different attitudes and ideas of what should be done and what should not, I believe they are doing a good job and nobody is getting hurt by it. Habitat will be increased, not decreased.

I do not think this will cure the flooding completely, but it is bound to help, I am sure.

We have a lot bigger problem on this river which has not been mentioned at the Fish and Game - pollution of the water. Has anybody given any thought to all the lagoons that are draining into this river? If we are thinking of more parks and picnic areas along the river, which I am very much in favor of, should we not be thinking of clean water?

Here is a problem which would open up a lot of discussion and a lot of arguments. I don't want to get involved in this report, but how about it members? Any ideas? I will bet there are lots of them, so let's hear them. Food for thought.

Help keep a steady flow of blood ready for emergencies

THRU RED CROSS

ST. ALBERT SNOWMOBILE ASSOCIATION OFFERS AN OPEN LETTER TO THE CITIZENS OF ST. ALBERT

Realizing that problems have occurred within St. Albert due to inconsiderate and unsafe operation of snowmobiles, the St. Albert Snowmobile Association has been formed to sincerely attempt to reduce to a minimum any situations which could cause friction between the snowmobiler and concerned St. Albert residents.

The objectives of the SASA include:

1. Education of snowmobile operators in the following areas:
 - a) Town bylaws and regulations
 - b) Safe operation of snowmobiles
 - c) Approved access routes to use areas
 - d) Making operators more aware of prohibited areas
 - e) Off-Highway Vehicles act
2. Posting of signs in the following areas:
 - a) Speed limit on river
 - b) Danger areas
 - c) On private property as requested by owners of same.
3. A special committee will be formed to deal with problems that may arise between snowmobilers and concerned residents. The phone number of this committee will be posted regularly in the Gazette. In the event of a violation, the committee will contact the violator and hopefully solve the matter through arbitration. If this approach fails the violation will be reported to the proper authorities.
4. We will establish a snow patrol whose function will be a) to keep snowmobile operators informed of rules and regulations that apply within the town corporate limits.
- b) to assist the RCMP in the event of any emergency
5. We will provide visible ID numbers for all snowmobiles. These numbers to be attached on both sides of the cow. Before these will be issued proof of registration and insurance must be produced.
6. Provide a continuing driver education and survival clinic.

We sincerely solicit the co-operation of all St. Albert residents in implementing our program. Success will result in snowmobiling becoming a safer and more enjoyable recreation while at the same time reducing interference with those who prefer other forms of winter recreation and St. Albert residents in general.

GENERAL MEETING - THURSDAY, JAN. 25 - 8 P.M.
FATHER JAN SCHOOL -- 15 MISSION AVENUE

ALL SNOWMOBILERS: PLEASE ATTEND
BRING PROOF OF REGISTRATION & INSURANCE

THE EXECUTIVE,
ST. ALBERT SNOWMOBILE ASSOCIATION

Platt Named Chairman Communal Properties' Special Committee

Minister of Municipal Affairs, the Honourable Dave Russell has announced the appointment of Arnold W. Platt as chairman of the Special Advisory Committee on Communal Properties.

The establishment of the Special Advisory Committee was one of the recommendations contained in the Communal Property report prepared by a Select Committee of the Alberta Legislature. Committee members will represent the Alberta Association of Municipal Districts and Counties, the NFU, the Alberta School Trustees Association and the Hutterian Brethren. They will be named by March 1st, 1973.

Arnold W. Platt was born in Innisfree, Alberta, in 1909, and is a graduate of the Olds and Vermilion Schools of Agriculture and the University of Alberta. Following a distinguished career with the Federal Department of Agriculture, which included Research Assistant, Department of Agriculture, Ottawa; Assistant Superintendent, Experimental Station, Swift Current; Co-ordinator Cereal Crop Improvement, Great Plains area, and head of Cereal Crop Breeding Regional Research Laboratory Lethbridge, he became involved in farming and farm organizations.

Mr. Platt was elected Fellow of the Agricultural Institute of Canada for distinguished research in breeding for insect resistance in Crop Plants. He was also recognized for his part in the development of Rescue Wheat and was admitted to the Alberta Agriculture Hall of Fame in 1972.

The chairman of the Special Advisory Committee, under terms of reference will:

review from time to time the functions of the Special Advisory Committee with regard to recommending broad procedures selective to rural land use, large landholdings, and corporate

farms.
*collect statistical, economic and social science information relevant to the Hutterian Brethren.

*receive complaints regarding the Hutterian Brethren and in consultation with the chief Hutterite elders determine any remedial actions which seem appropriate.

*establish contact with authorities and Hutterite colonies in other parts of the continent and report.
*maintain information concerning other types of communal or quasi-communal land holdings and other large land holdings in the Province.

*In collaboration with the Department of Education, report on any problems re-

ARNOLD W. PLATT

garding Hutterite education. Mr. Platt's appointment as chairman is effective immediately. The Committee offices will be located in Southern Alberta.

Spotlight party marks tenth Anniversary for Drama Club

The successful coffee party held last Sunday by the St. Albert-on-Sturgeon Players marked the 10th year of activity for the club and launched what will be the club's most ambitious season yet.

Over 40 people showed their support for this local organization by attending the Spotlight Coffee Party last weekend. The many names of past productions lined the walls as old-timers and newcomers shared their memories and hopes for the club this year. A scattering of small tables with candles provided a friendly atmosphere in which to relive the

club's many past successes. As the coffee and refreshments flowed, slides of last spring's production of "See How They Run" provided some humorous sidelights.

Another highlight of the afternoon was a chance to peruse the club's scrapbook. Over 28 past productions are recorded along with the names of the club's very active regulars. Interestingly, among those who acted in "Ladies in Retirement," the club's first production, was Mrs. Maria Seammell who also has a part in the upcoming evening of one-act plays planned for mid-February. Marcia

has appeared frequently in the club's productions and was the Queen in last fall's children's play, "Green-sleeves Magic."

The event provided an opportunity for local supporters to become club members and receive club notices throughout the coming year. Anyone interested in supporting the club or becoming active in the months ahead is invited to contact club secretary Dave Geddes at 599-3654.

Vollmer - Hinton Wedding

On January 6th a double-ring ceremony at St. Albert United Church united Miss Karen Vollmer, daughter of Mr. and Mrs. Henry Vollmer of St. Albert and Mr. Gary Hinton, son of Mr. and Mrs. Hayward Hinton of Edmonton. Rev. Len Musto officiated.

Given in marriage by her father, the bride chose a gown of white lace with blue ribbon trim on the sleeves and empire bodice. Her shoulder length bouffant veil was held in place by three white roses, and she carried a cascade of blue tinted roses.

The bride was attended by her sister, Miss Shirley Vollmer and Miss Janet Thompson. They wore identical gowns of navy nylon sheer with A-line skirts and empire waistline. Tiny blue flowers adorned their hair and they carried bouquets of white daisies.

Attending the groom were Ken Wallin and Mike Cooper, cousin of the groom. Ushering the guests was Gerald Hesse, brother-in-law of the bride.

For her daughter's wedding Mrs. Vollmer chose a pink polyester gown with matching jacket. A corsage of white roses complimented her ensemble. Mrs. Hinton wore a gown of mauve tulle, accented by pink roses en corsage.

A banquet was held for about 150 guests at the Coral Inn banquet room. Master of ceremonies was Mr. obert Rose, uncle of the bride, and

the toast to the bride was proposed by Mr. Harold Leema, her brother-in-law. In the evening a dance was held

for friends and relatives, all of whom enjoyed a good time. Mr. and Mrs. Hinton will reside in the Edmonton area.

Hotel 'Name Contest' Re-Opened By Shapiro

Sam Shapiro, co-owner of the hotel facility presently under construction along St. Albert Trail and south of Ball Avenue would still like to receive suggestions for a name for his hotel and award the \$100 prize to the winner.

Previously, Mr. Shapiro had asked The Gazette to make the appeal for a name contest and had specified that he wanted submissions for a short name for his hotel, which would include an historical era, personage, event or whatever. He has already received hundreds of submissions, such as Pioneer, Rendezvous, Voyageur, etcetera.

These suggestions had merit but will not be accepted because Mr. Shapiro and his colleagues have decided on a less 'vague name' for a more significant one which

will immediately identify his hotel with the new and modern edifice under construction and scheduled to open in July this year.

All those people who have already sent in a name are asked to revise their thinking and come up with a new suggestion while keeping in mind that the winning entry will have to include as much information as possible which will make the new hotel easily identified with its location and the type of facility it is.

Please send your new submissions (one per family) to Mr. Sam Shapiro, #6 Valley View Crescent, Edmonton, Alberta.

F. Lukay Elected New EMO Chairman

St. Albert town councillor Frank Lukay was elected chairman of the Edmonton District Emergency Measures Organization at a meeting held Monday, Jan. 15 in the County of Strathcona. He replaces M. R. Parker, Reeve of the Strathcona County who tendered his resignation after many years as EMO chairman. Elected vice-chairman of the control committee at the same meeting was Edmonton City Alderman Ron Hayter.

The Edmonton District Emergency Measures Organization comprises the counties of Strathcona, Parkland and Leduc, the Municipal District of Sturgeon and the City of Edmonton. The district co-ordinator is Pat Ryan and co-ordinator for the City of Edmonton is W. B. Brown. Representatives attending the meeting were, besides Councillor Lukay and Alder-

FRANK LUKAY
man Hayter: Walter Van De Walle, Reeve MD of Sturgeon; Reg Austin and Glen Berry, also from the MD of Sturgeon; Mark Stagg, St. Albert EMO co-ordinator; A. B. Carron, councillor, County of Leduc; Mike Wolstaele, Reeve, County of Leduc; Bert Serube, councillor, Town of Leduc; Charles Goldring, Town of Devon;

H. H. Siemens, Leduc; H. Powell, Mayor, Fort Saskatchewan; T. M. Reed, councillor, County of Strathcona #20; A. Schindler, Strathcona; M. R. Parker, Reeve, County of Strathcona #20; B. J. McNally, Northern Zone Emergency Measures; Debbie Coulbourn, secretary-treasurer.

Power Interruptions

Calgary Power Ltd. plans additional interruptions of electrical services to some customers between St. Albert and Morinville on January 29 and 31.

The interruptions are required to facilitate completion of a main transmission line supplying increased load in the area. They will proceed on both dates if weather permits.

On Monday, there will be an interruption of approximately 90 minutes from one o'clock until 2:30 p.m. for customers in the Ray Rural Electrification Association, the Hamlet of Villeneuve and the Fairburn Park Subdivision. On Wednesday, the interruption will be from one o'clock until 3:30 p.m. for customers in the subdivisions of Fairburn Park and Sturgeon View Estates, as well as the Hamlets of

Minister exchange program highlight Unity Week

Ministers of the Presbyterian, Roman Catholic, United, Pentecostal and Anglican churches in St. Albert are looking forward to giving the message as guests of each others congregations this coming Sunday.

The exchange visits which will place particular emphasis on "Prayer for Unity Week" were arranged through the local Ministerial Association, as a continuation of their experiment in unity last year, when Father Collin Leverage and Rev. Len Musto traded service participation in this way. The Association is interested in promoting cooperation and exchange of views between the different congregations to the fullest possible extent. Prayer for Unity Week is also planned to help all Christians work together for their common goals.

Times and dates of these

Villeneuve and Cardiff and the Ray Rural Electrification Association.

special services are as follows, and the ministers are hopeful that each of the churches will be filled for the prayer-oriented worship services, which will be based on biblical themes. SERVICES - PRAYER FOR UNITY WEEK - JAN. 28 9:30 a.m. Roman Catholic Parish - Noel Gordon, Presbyterian.

10 a.m. United Church - Jake Joly, OMI, Roman Catholic.

10 a.m. Good Shepherd - Len Musto, United Church. 11 a.m. Roman Catholic Parish - Jack Barford, Anglican.

11 a.m. Presbyterian - Ubald Duchesneau, OMI, Roman Catholic.

12 Noon Joint Communion, St. Matthew's Anglican and United congregations - St. Albert United Church. 12:30 p.m. Roman Catholic Parish - Len Musto, United Church.

5 p.m. Roman Catholic Parish - Keith Agrey, Pentecostal.

7 p.m. Pentecostal - Jake Joly, OMI, Roman Catholic.

MORINVILLE MEMOS

By Flo McGinnis

A definite sign of progress in Morinville is the announcement last week that Town Council has passed a motion authorizing that water meters be installed. For now all we hear is a great deal of speculation so why don't we wait till we get a few facts to go on and only then, either condemn or condone. At least things are moving ahead.

Heritage Lake Investment Club held their annual supper meeting and social on January 17 in the Legion Hall. There was a good turnout of members with their wives or escorts and Mr. Wilf Fitzpatrick acted as chairman for the meeting.

The events and progress of the club were reviewed for 1972, and it was felt by the members that the club had a good year.

Newly elected officers for 1973 are: J. L. (Jim) Rousseau, president; Maurice Schayes, vice-president; Paul E. Brochu, treasurer; Maurice Perras, secretary.

The United Church Ladies Aid will hold their next meeting at the home of Mrs. J. Robinson on February 14 at 8 p.m. sharp. Any interested ladies are welcomed. For information regarding the United Church services please call Jean Robinson at 256-3151.

Morinville Frontier Daze Association elected five directors for 1973 at their annual meeting January 18, and reviewed the 1972 progress. During the year sev-

eral improvements were made at the grounds including replacing the electric stoves with gas stoves, installing electrical cables in the arena, and a new speaker and P.A. system set-up. Work was also done on the backstops at the ball diamonds and much renovating on the International Building. New directors elected are: Bernice Chalfoux, Claudette Turgeon, Gary Smith, Leo Flannigan, with Father Primeau being re-elected. Directors with their term still to run are: Yvette Teller, Ron Lambert, Wilf Fitzpatrick and Dennis Delange.

It looks like March is going to be a very busy month with many worthwhile projects being planned. Please note the following -

The Christian Ladies are busy planning their annual wine and cheese party which will be held on March 10 in the Morinville Recreation Centre. Mrs. Solange Bach and convener, reports that the Satellites have been engaged for the event. Tickets will be available at local business places early in February. Mark the date March 10 for fun and merriment.

Morinville Lions Figure Skating club president Rena Bland reports that plans for the Carnival are well underway. This year the carnival will be held on March 11 with the theme being "Winter Wonderland." Complete details regarding the carnival queen contest will be announced shortly.

Right now the girls are practicing feverishly for their "Testing Day" on Feb. 17. There will be three judges coming out from Edmonton to do the honors for the 76 girls who are taking lessons in Morinville this year.

Guides and Brownies Bazaar, tea and bake sale is coming up on March 20, to be held at the Legion Hall from 1 - 8 p.m. Donations would be appreciated! How about some crocheting, knitting, needle point, sewing, liquid embroidery, etc. This is a very worthy project so lets get out and support the girls. Information is available from Mary Flannigan - 256-3121; Gloria Ellis 256-3437.

The Board of Trade supper meeting will be Feb. 5 and the president reports that our MLA Ernie Jamison will be the guest speaker for that evening. All members are urged to attend, and then there will be no need to rely on 'second hand' information.

London flu hasn't hit town yet but we've had several residents as hospital patients recently including: Tracy Bland, Audrey Borle, Angie Gibeau. I know there are some missed here and apologize for that.

Villeneuve Report

By Margaret Borle

The Villeneuve CWL held their first meeting of 1973 on Monday, Jan. 15. There was a good attendance and a full agenda. The Christmas Card Fund box yielded \$53.50, which will be forwarded to the Peruvian Missions.

Five ladies again volunteered one full day to the Marion Centre for Tuesday the 16th. The feedback we get from these volunteers is that they gain much more than they give by their associations with the truly dedicated Marian Centre staff. The members felt it was necessary to be positive in their support of Birthright so 10 dollars was forwarded to this movement.

Members who have paper back pocket book novels that they have already read are urged to bring them to the next meeting so they can be given to the Diocesan committee who will resell these books for a small fee and use the monies to help support the National CWL convention to be held in Edmonton in August. Make your contribution a two-fold success - clean off your shelves and support the Diocesan committee as well.

The CWL is sponsoring a Whist Drive in the Vill-

eneuve Community Hall on Sunday, February 11 at 8 p.m. Admission is 75¢, lunch is free. Everyone is welcome to join in this evening of fun, friends and food.

The Christmas party arranged for the husbands of CWL members was a fitting prelude to the beautiful Christmas season. A very large crowd enjoyed the social evening of cards and games arranged by Mrs. Albert Lesburg.

A new resident was welcomed to the hamlet of Villeneuve on December 23, Lonny Klak, infant son of Yvonne and Brian Klak arrived just in time to be a truly joyous Christmas addition.

Mr. and Mrs. Walter Henderson of Campbell River, B.C. spent several days in the Villeneuve area. Mrs. Henderson is the former Yvonne Borle. They, with Mr. and Mrs. Pat Sheehan and Mr. and Mrs. A. Borle attended the marriage of Linda Borle, daughter of Mr. and Mrs. Firmen Borle, and Donald Clark of McLennan.

Mr. and Mrs. Roger Field (Angela Lena) and daughter

Shelly of Montana spent the Christmas holiday season at the Albert Lema home.

The sympathy of the parish is extended to Mrs. Arthur Saligo and family at the death of Mr. Arthur Saligo.

Mr. and Mrs. Donny Saligo of Penticton spent several days at the home of Mrs. Claire Kremer.

Best wishes for a speedy recovery to good health are extended to Mr. Willie Oulmet and Mrs. Mary Halwa, presently patients in the Sturgeon General Hospital.

Morinville Library News

The trustees of the library board held their first 1973 meeting on Tuesday, January 9. A vote of thanks was given to the retiring board members Mrs. Alphonse Nobert and Mr. Roger Blackburn for their valuable services during the past two years.

Mrs. Lil Boddex was elected the new chairman for this year. Mrs. Marie-Paul Kremer was elected vice-chairman. Mrs. Charlotte St. Germaine continues as secretary-treasurer. Mrs. Maslyk remains on the board as the representative of the town council. Miss Angeline Leduc will continue as the librarian. The other board members voted in for varying terms were: Mrs. Beryl Lindley, Mrs. Lorraine Ferguson, Mrs. Dorothy Dubord, and Mrs. J. R. Clark.

The board decided to change the library fee sys-

tem. In future patrons are required to pay only once to join the library, and no further fees, while a resident of the Town of Morinville. The fee to join is to cover the cost of registration cards and library cards. The fees are one dollar per adult. Fifty cents per school child and three dollars for a family of four or more.

AD members' fees are two dollars per adult, and one dollar per school-child, with a maximum of five dollars per family of five or more. Library cards must be presented when borrowing books. Replacement of lost cards will cost 25¢.

Two books may be borrowed at a time for a period of one month. Fines are of one month. Fines on overdue books are five cents per week or part of a week for the two books. Loss or damage to library material will be charged to the borrower.

NAMAO NEWS

By Norma Crozier

Namao School and Community League will hold their annual carnival on Feb. 16 and 17. Snowmobile Gymkhana races will be held on Feb. 17 at 1 p.m. Participants must be members of the school and community league. Sleigh rides with horses will be held at the same time at 25 cents per child.

A correction of last week's news - skating parties will be held at the rink every second Friday, weather permitting with the next one on February 26.

Rural Recreation

By Carl Boyan

A wheelthrowing workshop will be held on Feb. 16, 17 and 18 at the Arts and Crafts Division in Edmonton. Among the subjects covered will be centering and throwing the cylinder; throwing bowls, bottles; and other related ceramic skills. The deadline for applications is February 2, and in most cases the Sturgeon Recreation Department will pay for costs incurred and if you wish more information on this workshop please contact this office.

We have also received literature from the Alberta Handball Association, who are prepared to send to any community, upon request, a group of individuals who would -- conduct an instructional clinic, conduct coaches clinics, and provide organizational guidelines for incorporating one-wall handball into any curriculum. One-wall handball is a growing sport that can be played by all ages. Again, if anyone is interested in the possibilities of one-wall handball please contact the MD of Sturgeon Recreation Department at 256-3321 or 424-6276. Or drop in and talk to us about these and other programs that we could help you with.

The Sturgeon Valley 4H Dairy Club are holding a family blago at Namao Hall on Tuesday, February 13 at 8 p.m. Everyone is welcome.

All UCW members and guests from Namao and Bon Accord are invited by Patricia UCW, 8:30 p.m. Jan. 30 to hear Rev. Frank and Mrs. Lough. Subject - "World Outreach In Africa."

Congratulations to Mr. and Mrs. Ronald Cresswell on the birth of a daughter, January 20. Proud grandparents are Mr. and Mrs. Harry Cresswell.

Namao Mothers Take A Break group will be having the RCMP out on Jan. 30 to speak on "accident reporting." The time is 10:30 a.m. and the place, the Elementary School. Everyone is welcome.

Dan and Alice McLay, long time residents of Namao have moved into their new home at Noranac Acres after one year of city living. Welcome back.

NOTICE - ARTS & CRAFTS

The deadlines for macramé, karate and physical culture classes have passed. None are yet filled. If you are still interested please contact Jean Monahan at -- 799-5596 for physical culture and karate and Jean Strong at 799-3668 for macramé. If there is not a minimum registration by January 29 one or more may be cancelled. We do hope this will not be necessary.

Vimy And District News

By Jeanne Laplante
Engagement congratulations extended to Emile L'Abbe and Suzanne Bedard from Jossard.

Sister Edith Steffes who has been teaching in the West Indies for three years was a recent visitor at the center.

The school children enjoyed the slides which she presented.

We wish to welcome Miss Etta Norman from Lethbridge to the teaching staff.

We were happy to welcome back Mr. Albert Shank who has been ill for a while.

Recently hospitalized at the Immaculate were Mrs. Solange Bilodeau and Mr. Edward Parent. Complete recovery wishes.

Ray Dechamplain is presently attending the eight week Farm Management Course sponsored by the Dept. of Agriculture.

Some 75 people attended the annual Alberta Wheat Pool meeting held last week. Mr. Paul Monpelt was guest

speaker and films were presented which proved most enjoyable. The evening was terminated with lunch.

The Westlock Recreation Board are sponsoring the following programs for the Vimy district: Playschool, adult and youth hobbies, advanced resin and judo for youth. Instructors are respectively, Mrs. Marlene Sabourin, Mrs. Helen Joly, Mrs. Mary Mienzeinger and Mr. Carmen Elia. Anyone interested may phone the above instructors for further information.

New members elected to the parish council are Mr. Leo Fortier, Mrs. Gloria Dubois, Bruce Kallal and Sylvia Bilodeau.

Namao Playschool has fine program

Last April "The Mothers Take A Break Group" of Namao decided to try to organize a playschool. After taking a survey of the community it was learned that enough parents were interested.

One classroom in the elementary school was made available to us, through the kind assistance of our local school trustee, principal of our school and the Sturgeon School Board.

Our playschool started on October 3, 1975 and will finish our first year on April 17, 1976. It is held every Tuesday and Friday morning from 9:30 - 11:30. With

a full attendance of 20 children.

We have several field trips planned and will enjoy two puppet shows, a visit from the RCMP, and a public health nurse, films, besides parties for special occasions, such as Halloween, Christmas, Valentines and Easter.

The executive of the Namao Playschool feels this has been a most rewarding experience for the children.

Pupils of Namao Playschool at their holiday party are (left to right): Donald Boonstra, Jeffrey Russell, Carolin Hebel, Michael Suranyi, Scott Mullen, Sean Monaghan, David Mullen, Shauna Crozier, Dean Gough, Vernon Carson, Cheryl Maxfield, Crystal James, Michelle Eppinga, Audra Eppinga, Alita Lucas, Suzanne Nielsen, Shannon Farrell, Karen Carson, Margaret Hall, teacher - Mrs. Kurupatwa.

BON ACCORD ACTIVITIES

By Sadie Allen

A busy program for craft enthusiasts has been planned for the current season. Cake decorating offered by Thelma Everitt is underway and the final session is slated for January 31 at 8:30 in the Community Centre. However if you are interested in the course you may contact Thelma at 298-2109. If enough interest is shown another class will be held after the final copper tooling session on March 14. Unfortunately the registration for the following crafts must be limited as to size, and all are already completely booked. Anyone interested can still telephone in case of drop-outs.

Weaving is being offered by Edith Kowalski, 298-

2207. It is an eight week course and consists of finger and card weaving, and Salish and Inkel looms. Copper tooling instructed by Alice Strawson, 298-2124, is a six week course with a cost of \$2.50 to \$3 for material for each person. Leathercraft, instructor Olga Ferby, 298-2227 is an eight week course and will include such items as mukluks, belts, vests, etc. All courses get underway on Wednesday, February 7 at 8:30 in the Community Centre.

Physical Culture and Modern Jazz classes got underway on January 24. They consist of a two hour session with the first half hour being devoted to Physical Culture and the second to

Modern Jazz followed by a second session of physical culture and finishing off with jazz. The classes get underway at 7:30 to allow those registered for handicrafts to enjoy an hour's exercise.

Around Sturgeon

The St. Albert delegation were happy to have visits with a number of district representatives at the PC Convention in Calgary over the weekend. Stan Shellenberger and his lovely young wife dropped in. Stan is the new MP for Wetaskiwin constituency, which embraces part of our district. Dan Hollands, MP for Pembina was there and Marcel Lambert, MP Edmonton West came over for a chat after supper Saturday night.

Attending from the rural area were local president Bob Lema and his wife, Kathy; Councilor Bill Flynn Reube Walter Van de Walle, John and Muriel Devereux and Dennis and Marlene Patterson.

Mr. Flynn arrived a little late on Friday, and we understand he was having a little problem with his chickens. It looked as if he wouldn't be able to get a room at the Palliser, and Lena Post, as usual rising to an emergency situation, offered her over-size bathtub. However a timely check out enabled Mr. Flynn to get a room. The next day he was able to get the chicken situation straightened out. The discussion appeared to evolve around some type of Irish mill in a bush, the technicalities of which escaped me, but a suggestion from a former Saskatchewanite for suitable

accommodation for the chickens was apparently adopted by Mr. Flynn. In Bob Lema's room there was a little trouble with the shower, but this was quickly looked after, and the hot water became available after only a short interruption.

Ben and Rita (Lema) Atkins accompanied by Alice (LaPlante) Banks of Calgary took in a portion of the convention proceedings, and enjoyed a visit with the St. Albert and district people. Rita is a sister of Bob Lema, and Alice, a former Vimy girl, is a sister of hockey players Al Laplante in St. Albert and Roger in Vimy. Both are well known in the area and got caught up on local news and happenings. Alice's husband is in Foothills Hospital at present.

Lighthouse keepers are never lonely - there are always a lot of gulls and buoys around.

Cliff Fowler's Calahoo Canucks picked up two more wins in the pee-wee division of the Parkland Minor Hockey Association last week. On January 17 the Canucks scored a close 4 - 3 win over Winterburn getting goals from Randy Karakonte, Normie Majeau, Shane Quintal and Donnie Fowler.

Randy Karakonte added two more in the Canucks

M.D. Appoints Slate Of Committee Officers

At the statutory meeting of the MD of Sturgeon held in December, Reeve Walter Van de Walle was re-elected for another term of office. Elected deputy reeve for one year was W. Flynn and both, Alphonse Nobert and Gilbert Boddez were re-appointed secretary-treasurer and assistant secretary-treasurer respectively for another year.

Appointments approved by council include:

Makale, Holloway and Associates as municipal planning consultants; A. J. Nobert, social assistance officer as well as development officer and building inspector; Robert Stack, public works; Alf Mabbitt, road foreman; assistant, Alphonse Champagne; shop foreman, Richard Kleser, agricultural fieldman, Don England; assistant agricultural fieldman, Sid Kuhn; soil conservation officer, Don England; recreation director, Carl Bryan, Pest

control officers and weed inspectors are Don England and Sid Kuhn.

Elected by ballot to represent the MD on the Edmonton Regional Planning Commission are Bill Flynn and his alternate is Lawrence Kluthe. Elected to the Executive and Development Committee are: Messrs. Flynn, Kluthe and Jerram with Mr. Kluthe appointed as chairman of that committee. Appointed to the Department of Public Works: Messrs. Courchesne, Berry and Crozier with Mr. Ed Courchesne to act as chairman. Appointments to the Agricultural Service Board included councillors Ed Courchesne and Walter Jerram, with Mr. Jerram chairman of the Ag. Ser. Bd. The farm members appointed to this board include Alan Sweetnam and Roy Schermmermund.

Wally Klart was reappointed as district agriculturist

on the Agricultural Service Board and Don England as fieldman. Appointed on the recreation board from the MD Council was Reg Crozier and future appointments to the recreation board will be made once recommendations have been received from the existing board. Named to represent the MD of Sturgeon on the Legal Home for the Aged Board was Lawrence Kluthe while Glen Berry was named to represent council with Civil Defence. EMO co-ordinator will be Reg Austin. School representative this year will be Glen Berry as well as council representative on the Morinville Seed Cleaning Plant Board. Council representative on the Gibbons Seed Cleaning Plant is Ed Courchesne, while Lawrence Kluthe was appointed to the Sturgeon Health Unit Board with Reg Crozier as alternate.

Appointed pound keepers are Wm. H. Williams, Gibbons; N.E. 11-56-23-4 and Lindsay Rye, R.R. 6, Edmonton; S.W. 17-55-23-4. It was also proposed that additional pounds be established within the municipality and a report from the Agricultural Service Board will be requested.

Remunerations for members of council have been set at \$300 per month basic which include regular meetings, development meetings, public works and executive and development meetings. Other special meetings will be set at \$35 per day plus 15¢ per mile. Evening meetings will be considered as half-day meetings. Conventions and seminars' fees have been set at \$50 per day plus travelling. Farm members on the Agricultural Service Board will be paid at the rate of \$35 per day plus mileage.

Calahoo Sports

6 - 3 win over Devon, Jan. 16th. Shane Quintal, Rick Letendre, Dale Shafers and Normie Majeau added the others.

Calahoo Chargers under head coach Emile Berube, won their first game of the season last weekend with a close 5 - 4 win over Onoway.

Herb Arcand and Lornie Labonte each scored two goals and Robbie Christenson added the other.

The Chargers are in the Onoway House League.

Sturgeon To Propose

Wild Oats Control Plan

At the January meeting of the MD of Sturgeon, members of council along with personnel of the Agricultural Service Board agreed to attend a regional conference of service boards January 26 to Sangued.

The Sturgeon delegation, made up of Walter Van de Walle, Walter Jerram, Don England and Alphonse Nobert will present a report previously discussed with Hon. Hugh Horner, minister of agriculture on a wild oats chemical control program which has been very successful during the past year in the municipality and is being used as a proposed

pilot program for the rest of the province.

In essence, the pilot wild oats chemical control program proposes to be financed through the province (25 per cent) the Municipal District (25 per cent) and the farmer (50 per cent). The Municipal District of Sturgeon delegation will present the above resolution at the regional conference in Sangued and anticipate approval. If the resolution is indeed approved, it will then get on the agenda and discussed at the Agricultural Service Board annual convention scheduled to be held in Edmonton, February 27 to March 1.

Gibbons 4H Club Plan 1973 Project

By Terri Polslid

The Gibbons Clothing Club held a meeting Saturday, January 13 at Annette Lamoureux's home.

One of the fund raising projects the club members have undertaken this year is a hooked rug. The girls are each taking a turn to do their portion of the rug. Tickets are being sold and the draw is to be made April 14, Achievement Day.

On Saturday, February 18 the girls of the club will be going bowling or curling in St. Albert.

Gibbons

The Gibbons Senior Citizens Club held their meeting on Thursday, January 11 with 29 members present. An enjoyable afternoon was spent playing bingo after which lunch was served. Everyone enjoyed a good visit. The next meeting will be on January 25.

The girls were reminded to start working on their speeches which will be judged near the end of February in the Gibbons Sunday School.

The meeting was adjourned and lunch was served.

UFA Workshop

The UFA is holding a Farm and Agricultural Workshop on Wednesday, January 31, beginning at 2 o'clock.

The four subjects to be covered are 'Farm petroleum products,' 'New products for general farm use,' 'Livestock medicines' and 'Farm buildings and automation.'

The workshop is open to all interested and further information may be obtained by telephoning Walter Pasknak at 799-5741.

Sturgeon M.D. Spearheads Area Direct-Dialing Study

At the January 11 and 12 regular meeting of the MD of Sturgeon, council discussed the matter of upgrading telephone services in the area. The main point under study was direct dialing within communities located in close proximity of Morinville and the City of Edmonton. The five centres interested in this issue include Morinville, Legal, Bon Accord, Gibbons and Fort Saskatchewan. Although the two latter centres have direct dialing service with Edmonton, Gibbons and Ft. Saskatchewan would like to have direct dialing service with the other communities in the area. A joint meeting of representatives from the five interested centres has been scheduled for Thursday, January 25 at Morinville.

The complete 12-month report for 1972 from the MD's Department of Public Works revealed to council that a total of 287.5 miles of municipal roads were travelled during the past budget year. This involves 118,442 yards of gravel at an average cost per yard of \$3.35, making a total travelling expenditure of \$389,723 for the 12-month period.

During the same period, the DPN's report shows that 18.5 miles of road were finished with cold mix during the year, at a total cost of \$137,000. This also includes patching and repair work on hard-surfaced municipal roads. A breakdown of the cold mix project, according to the report presented to council, shows that labor and machine costs amounted to \$41,000 and oil materials to make the cold mix cost \$96,000, thus making a total cost of \$137,000.

The final item of interest in the DPN's report for the past 12 months was the total cost of \$150,000 for snow plowing and road maintenance. This figure brings the

cost up to the end of 1972.

The MD's annual meeting date has been set for March 24 at which time the financial statement and questionnaire regarding a proposed arena will have been in circulation and compiled.

Reeve Walter Van de Walle and Secretary-Treasurer Alphonse Nobert were authorized by council to sign an agreement with the Department of the Environment and the MD to serve as administrators of the Priority Employment Program presently being conducted on the Sturgeon River. It involves a \$75,000 project designed to clear the Sturgeon water course of debris and thus reduce flooding. The paper work involved in the project will be worth five per cent of the total cost to the MD.

Council agreed unanimously to re-apply to the Board of Transport for control lights at the railway crossing located about one mile west of Legal. This crossing has been determined as a hazardous one and ought to be controlled with a set of lights. Previous attempts by the MD for lights at this crossing have failed despite one fatality recorded here plus many near-misses.

A meeting has been planned of the Development Committee of Council at which residents have been invited to discuss zoning. The area involved includes that portion of the MD north of 137 Avenue, between 127 Street and 142 Street. The topic under fire will be to change the zoning from low density agricultural to light industrial reserve.

A letter was received by council from the provincial department of agriculture reminding farmers who have unthreshed grain lying on their fields must fill out claim forms with the district agriculturist.

MR. & MRS. LAURENT LAFORCE

Vimy girl marries Legal man

By Jeanne Laplante

Our Lady of Victories Church, Vimy, was the scene of a beautiful candlelight wedding December 15, when Betty Ann Bernard, daughter of Mr. and Mrs. Marcel Bernard of Vimy, became the bride of Laurent Joseph Laforce, son of Mr. and Mrs. Alberic Laforce of Legal.

Rev. L. Viel officiated at the triple ring ceremony. Walking down the aisle accompanied by the groom the beautiful bride chose a gown of white silk organza featuring an empire waistline, stand-up collar and long sleeves. The gown was enhanced by a waist train and lace trim in the front. Her slender length veil of silk illusion was held in place by a diamond crown. White and red carnations with streamers formed her bouquet. Opal earrings completed the decor.

Bridal attendants were the bride's sister Delores and the groom's sister Juliette. They were charming wearing floor length gowns of red polyester crepe featuring empire waistlines and beaded trimmings. Red roses adorned their hair-dos and they carried bouquets of white carnations and roses.

The groom was attended by his brother Ernest and

the bride's brother Maurice Organist was Mrs. G. Provencal, and solos were rendered by Mrs. Mary Bernard and Mr. Victor Douzlech. Joining the guests were Usher Dussault and Raymond Laforce.

Following the church services a reception and dance was held in the Community Centre with some 260 guests in attendance. The bridal table was centered by a three tiered wedding cake, Raymond Laforce was master of ceremonies and proposed a toast to the bride.

To receive her guests the bride's mother donned a gown of pink tulle trimmed with lace and she wore white roses encorsage.

The groom's mother chose a white and mauve gown complimented by a corsage of pink roses.

The happy newlyweds will reside in Edmonton. Out of town guests were Mr. and Mrs. Raymond Laforce from Montreal.

Villeneuve 4H Party

By Janice Kremer

On Wednesday, Dec. 20 Villeneuve 4H Clothing Club invited the Villeneuve Beef Club and the former Villeneuve Clothing Club members to a Christmas party at the Villeneuve Hall at 8 p.m. Parents were also invited making the party more fun for all. There was all sorts of entertainment including dancing, sing songs and other games.

The people who helped make the party well worthwhile were Kim Klatt, the junior leader of recreation, and Mrs. Gagner, the social convener, decorations from the Villeneuve 4H members, and last but not least, lunch arranged by lunch convener Mrs. McAnally. We would like to thank these people and all those who helped to make the party possible.

Legal couple celebrate Diamond Anniversary

Mr. and Mrs. Philippe Mercier of Legal, celebrated their 60th wedding anniversary on January 21. They were very delighted to have a family reunion in their home at Legal.

Mr. Mercier was born in 1892, and arrived in Legal from Jefferson South Dakota in 1899. Mrs. Elizabeth Merciers was born in 1895 and arrived in 1908 from St. Paul, Minnesota. She was the daughter of Mr. and Mrs. Louis Nadeau.

The couple were married

in 1913, with Father Guertin officiating. They were the first couple to marry in the "original" St. Emile church which burnt down in 1947.

Most of their married years were spent in Legal where Mr. and Mrs. Mercier are very well known, as prominent local farmers and business people.

The couple were blessed with 13 children, seven now living. They have a progeny of 39 grandchildren and 15 great grandchildren.

Congratulations were received from His Holiness Pope Paul VI, Her Majesty Queen Elizabeth, Lieutenant Governor Grant MacEwan, Premier Lougheed of Alberta, Mayor Dent of Edmonton, the Village of Legal and many friends.

The community of Legal extends congratulations to them on this special occasion, their Diamond Wedding, and may God bless and grant them many years of health and happiness.

Sturgeon Opposes Annexation

The councils of Sturgeon and St. Albert held a joint meeting January 9 in St. Albert Council Chambers where both municipal bodies discussed mutual areas of concern.

Foremost on the agenda was the application by Allarco Developments Ltd. to annex approximately 800 acres of land to St. Albert. The Municipal District of Sturgeon, following the joint meeting, agreed to oppose the annexation bid on the following four points:

That both the MD and St. Albert Town Council have a standing agreement, namely that when urban expansion is requested, that it be justified before the application is approved and the MD of Sturgeon in this case fails to see any justification in approving the application by Allarco to annex.

The second point the MD will cite in its opposition to the annexation proposal is in reference to the standing policy between Sturgeon and St. Albert, whereby annexation is granted only on a neighborhood basis and not involving giant tracts of land. Mr. Van de Walle said, "this policy has worked well for us in the past and we can't see any reason to change that policy now."

Third point of importance in this annexation application is in direct reference to the Sturgeon Valley recreational area. Mr. Van de Walle explained that the MD of Sturgeon has requested that a study be made of the Sturgeon Valley area by the Water Resources Branch with a view of establishing a recreational park along the Sturgeon. The MD's present concern with the annexation proposal is that it be forestalled until a report is received from the Water Resources Branch because the proposed Sturgeon Valley Recreational area forms part of the lands under question for annexation.

The fourth and final point brought forward by the MD is that the Local Authorities Board postpone the public hearing on annexation, at least until a report has been received.

Sturgeon Valley 4H Launches 1973 Season

By Chris Mickelsen

The regular monthly meeting of the Sturgeon Valley Dairy Club was held on January 9. Much new business was discussed. This new business included discussion about our demonstration night, banquet night and our bingo.

The demonstration night will be held on our next meeting which will be on February 6. Our annual year end banquet will take place on August 20 and a guest speaker has been approached. On February 13, 1973 a bingo will be held at the Numa Community Hall by our club, at 8 p.m.

LEGAL LOCALS

By Lucienne Montpetit

Minor Hockey Week is January 21 - 27. Come support and encourage minor hockey. Take your boy to the arena, don't make him a "loner."

Saturday, Jan. 27 - Shaver tournament, 9 a.m. to 3 p.m. Banam finals - 4 p.m., Mid-gest finals - 7 p.m.

Walter Van de Walle attended the PC Convention at the Palliser Hotel in Calgary last weekend.

Mr. Henri Casavant is a patient at the hospital.

Congratulations to Mr. and Mrs. Don Witters who welcomed their third son Cory-Ronald on January 12 weighing 7 lb. 15 oz. A brother for Dean and Lorrie.

The parish annual meeting will be held on Jan. 29. Everyone is welcome.

Congratulations to Mr. and Mrs. Philippe Mercier who celebrated their 60th wedding anniversary last weekend.

Prior to their marriage Leo Blodet and Linda Hickey were feted at a social evening at the Legal Community Hall January 20. Some 150 persons had a gala time dancing to the swinging music of the Twilites. A delicious midnight buffet concluded the evening.

foregoing experiment. Quick action on the part of Cameron and Mrs. Ruth Cline and Jim Nicholson, who took the boys to the Royal Alex emergency ward averted a most tragic accident.

Report From Bon Accord

By Sadie Allen

Congratulations to Vernon and Connie Lewis on the birth of their son, Lance Vernon, on January 16. Birth weight was 10 lbs. 6 oz.

A reminder that the First Aid course sponsored by the Workmen's Compensation Board for the Gibbons-Bon Accord district will begin on February 12 at 7:30 in the Bon Accord school. For those of you who would really like to take the course but are reluctant to do so because some nights are taken up by previous commitments Mrs. Lampkin is willing to fill in on Saturdays and Sundays the instruction missed.

Floyd Bjerke, Ken Fearley and Nigel Mansfield attended a practice drill at the Gibbons Fire Hall on Jan. 17. To enable them to familiarize themselves with equipment and methods used in fire-fighting they were conducted through the building by Fire Chief Earl Yeo. Organization of the Bon Accord Fire Brigade will be held on January 31 at 8 p.m. in the school. It is hoped that Mr. Beland from the Provincial Fire Commissioner's Office will be in attendance to advise on the formation of our own brigade. The brigade will welcome volunteers of both sexes.

Centre respectively. A lucky ticket will win the holder \$75 first prize; \$25 for second or \$15 for third. Please support the girls. Proceeds will make our community one of the best.

4H CLUB ENTERTAINS

On January 13, the Bon Accord 4H Beef Club hosted the Numa 4H Beef Club at a beef judging day at the Roy Ripley farm. Mr. Howard Bjore from the Department of Culture, Youth and Recreation was the official judge. Market and feeder were the two classes of steers judged. After the judging all those present enjoyed Perber's Stew, a specialty of 4H Beef Club functions. After inspecting each others' steers, the Bon Accord members held a short meeting. This report was submitted by Club Reporter Marsha Ripley.

A word of warning to the amateur chemist: NEVER put dry ice into a bottle with water and put the cap on it. Two Bon Accord youths, Fred Waldner and Lyman Morrison suffered multiple lacerations to the face and hands from exploding glass on Friday evening when conducting the
